INTERACTIVE EDITION CD-ROM

Addison Wesley Longman

Interactive Textbooks *Powered By Versabook 2.3*

Installation:

1. Exit all applications.
2. Place the disk in the CD-ROM or DVD-ROM drive. The Autorun window opens.
3. In the Autorun window, click Install. This part of the installation may take a few minutes.
4. Versabook checks to see if DirectX 6 was previously installed.
If it is not installed, you will be prompted to begin the installation.
5. When the DirectX 6 is installed, you will be prompted to restart your computer.
6. Click the Yes button to restart.
7. Versabook checks to see if Internet Explorer version 4.01 is installed on your computer.
If it is not installed, you will be prompted to install it. The Welcome window appears.
8. In the Welcome window, click Next. The Software License Agreement appears.
9. Read the Software License Agreement, and then click Yes. The Choose Destination Location Window appears. Setup chooses a destination and folder for the installation.

Note: To install in a different folder:

1. Click Browse.
 2. Choose path and drive.
 3. Click OK.
 4. Click Next. The Book Installation Options dialog box opens.
10. Click the type of book installation you prefer, then click OK. The Setup Complete window opens.
 11. Click Finish. You will be prompted to restart your computer.

Note: In order to complete the installation of Internet Explorer, you must restart your computer.

12. Click the product icon on your desktop to open your Versabook.

Note: If Autorun does not begin, follow these instructions:

1. Double-click your desktop's My Computer icon.
2. Double-click the CD-ROM or DVD-ROM icon.
3. Double-click "Autorun.exe". This should bring up the Autorun menu.
4. Follow the Installation instructions.

SINGLE-USER PRODUCTS

This is a legal agreement between you (either an individual or an entity) and Versaware Technologies Inc. BY INSTALLING OR USING THE SOFTWARE, YOU AGREE TO BE BOUND BY THE TERMS OF THIS AGREEMENT. IF YOU DO NOT AGREE TO THE TERMS OF THIS AGREEMENT, AND YOU ARE THE ORIGINAL PURCHASER OF THE SOFTWARE, PROMPTLY RETURN THE SOFTWARE (INCLUDING PRINTED MATERIALS) TO THE PLACE WHERE YOU PURCHASED IT FOR A FULL REFUND.

VERSAWARE TECHNOLOGIES INC. SOFTWARE LICENSE

GRANT OF LICENSE. This License Agreement permits you to use one copy of the Versaware Technologies Inc. software (the "Software"), which may include electronic documentation, on a single computer/workstation. The Software is "in use" on a computer when it is loaded into the temporary memory (i.e., RAM) or installed into permanent memory (e.g., hard disk, CD-ROM drive, or other storage device) of that computer. You may not use the software on or over a network or any other transfer device without each concurrent user having an original copy of the Software and its documentation.

COPYRIGHT. All intellectual property rights in the Software (including all animations, audio, images, maps, music, photographs, video, and text incorporated into the Software) are owned by Versaware Technologies Inc. and its affiliates, suppliers, and licensors, and are protected by United States copyright laws and international treaty provisions. Versaware Technologies Inc. and its affiliates, suppliers, and licensors retain all rights not expressly granted. You must treat the Software like any other copyrighted material, except that you may either make one copy of the Software solely for backup or archival purposes or transfer the Software to a single hard disk provided you keep the original solely for backup or archival purposes. You may not copy the printed materials accompanying the Software. You may not loan, rent, or lease the Software, but you may transfer your rights under this Agreement on a permanent basis provided you transfer the license granted by this Agreement, and the Software and all associated printed materials, and you retain no copies, and the recipient agrees to the terms of this Agreement. You may not reverse engineer, decompile, or disassemble the Software, except to the extent that this restriction is expressly prohibited by applicable law. You may not distribute printed copies of any user documentation provided in electronic format. The restrictions contained herein apply equally to hybrid CD-ROMs which may contain multiple versions of the Software for use on different operating systems. Regardless of the type of media you receive, you may use only the portion appropriate for your single-user computer/workstation.
