## MEDIA INFORMATION

This guide is designed to assist the media in their coverage of New Jersey Institute of Technology baseball. The NJIT sports information services department will, upon request prior to the game, provide an official NCAA box score and play-by-play 20 minutes after the conclusion of any home game.

All interview requests should be made through the sports information office, 973-596-8324. Following matches, coach Callahan and selected players will be available on the field following a 10-minute cooling-off period. All visiting radio broadcast requests should be made at least two weeks in advance.

## CREDITS

The 2002 NJIT Baseball Guide is a production of the NJIT sports information services department, Mark Mentone, coordinator. Writing and design by Mark Mentone on Adobe PageMaker 7.0. Editorial assistance by Joe Caiola '80 and Brian Callahan. Produced in cooperation with the Office of University Communications. Except where indicated, photography by PM Studios, Edison, N.J. Printing by Prestige Graphics, Union, N.J.

500/04-02

**On the cover:** Senior co-captain and centerfielder **Tommy Lemanowicz**.

## Season Outlook

NJIT second-year head baseball coach **Brian Callahan** inherited a squad which had earned just four victories in 2000 and led it to a 14-23 record last season, the most wins in the program's four years in NCAA Division II. With a full recruiting year under his belt and 10 starters returning, Callahan is ready to gradually raise his team's expectation level.

"If we could turn last year's record around, I would consider the season highly successful," Callahan said. "Our basic team goal is to give our best effort every single day. Complacency is the enemy."

While the Highlanders are more experienced than a year ago, they are still a predominantly young squad. The 24-man preseason roster includes eight freshmen and nine sophomores, and just two of eight field positions will have the same starter as a season ago.

**BATTERY:** Four of the six projected starting pitchers are returnees. At the top are right-handers **Dan Raczyński**, a sophomore, and junior **André Narvaéz**. Narvaéz led NJIT with 15 appearances last year, while Raczyński made a team-high eight starts.

Sophomore righty **Ryan Wendolowski** becomes a full-time pitcher after spending some time at first base last season. Freshman **Chris Legiadre** was impressive in fall and earned a starting role, and two-way player **Chris Schwartz** and freshman lefthander **Mike Palomino** round out the rotation.

Sophomore **Jesse Gargano**, a reserve outfielder as a freshman, will be given a chance to earn the closer role. Schwartz and Palomino will also pitch in short relief between starts. Right-handed bullpen depth comes from junior **Rob Olohan**, transfer **Steve Craig**, and freshman **Marty Potoczniak**. From the left side are sophomore **Seth Powers** and transfer **Joseph DeJager**.

Sophomore **Cole Cicutelli** is the incumbent behind the plate. Due to injuries, Cicutelli caught all but two games in 2001, but help should come this season from freshman **Philip Resciniti**. Sophomore **Ryan Held** is recovering from injuries which ended his 2001 season prematurely, and is also being considered for designated hitter duties.

**INFIELD:** It will take some time for Highlander fans to recognize the starting infield, as all four positions have a new face. Legiadre will start at first base, with freshman **Erik Hansen** getting the nod when Legiadre pitches. First-year junior **J.J. Samolowicz** has won the second-base job. The left side features veterans in new spots, with sophomore co-captain **Steven Kosinski** moving over from third base to shortstop and senior **Scott Mataya** coming in to third from the outfield. Freshman **Ryan Blair** can also play third, while Craig and sophomore **Josh Palombo** are utility infielders.

**OUTFIELD:** This unit should pack tremendous punch in the line-up, and features three strong throwing arms. Schwartz, moves from first base to left field. Senior co-captain **Tommy Lemanowicz** is back in center, and freshman **Daniel Lupo**, last year's Passaic County player of the year out of West Milford High, gets the nod in right. Gargano and newcomer **Mike Morgan** are the reserves, with Morgan the likely starter when Schwartz pitches.

### DR. SAUL K. FENSTER

#### *President*

**Dr. Saul K. Fenster** is the sixth president of New Jersey Institute of Technology. Prior to joining NJIT in 1978, he served in various faculty and administrative capacities at Fairleigh Dickinson University, including six years as provost of the Rutherford campus.

Fenster is a mechanical engineer. He earned a bachelor's degree from the City College of New York, a master's degree from Columbia University and a Ph.D. from the University of Michigan. He has authored and co-authored two textbooks and numerous research papers and technical articles. His industrial experience includes a period as senior research engineer with the Sperry Rand Corporation and as a partner in an industrial consulting firm.

Fenster has served on many statewide task forces, commissions and committees. He is currently the chair of the New Jersey Commission on Science and Technology, and the Research and Development Council of New Jersey.

### DR. JOEL BLOOM

#### *Vice-President for Academic and Student Services*

**Dr. Joel Bloom** has worked at NJIT since July 1990, and is currently

vice-president for academic and student services. He is responsible for nine divisions of the university, including physical education and athletics.

Bloom is also the dean of the Albert Dorman Honors College, which enrolls 460 students from 15 states and several foreign countries.

Prior to NJIT, Bloom spent seven years as assistant commissioner in the New Jersey Department of Education. He currently chairs the State College Advisory Board and the Newark Consortium Board for Pre-College Education.

Bloom earned bachelor's and master's degrees from Hunter College, and holds a master's and doctorate from Columbia University Teachers College.

### LENNY KAPLAN

#### *Senior Administrator for Athletics, Physical Education, Recreation and Intramurals*

After serving 11 years in the athletics department at Division-I Manhattan College, **Lenny Kaplan** was appointed in August 2000 to NJIT's newly-created position of senior administrator for athletics, physical education, recreation and intramurals.

Kaplan is a 1988 graduate of St. John's University with a degree in athletics administration. After three years as Manhattan's director of operations, he served as an assistant athletics director from 1991-2000. At NJIT, he reports to Dr. Joel Bloom, vice-president for academic and student services.

Kaplan is a native of Commack, Long Island, and attended Commack High School South. He resides in Manhattan with his wife, Nancy, and their sons, Michael and Joshua.

### SHARON BEVERLY

*Assistant Director of Athletics  
Senior Woman Administrator*

Sharon Manning Beverly was appointed assistant director of athletics and senior woman administrator in January 2001. She has also been NJIT's head women's basketball coach the last three seasons, posting a record of 30-51.

Beverly has been a collegiate head coach for 22 seasons with 269 career victories. She is the all-time winningest coach at Fairleigh Dickinson University, where she spent 11 years.

Beverly played collegiately at Queensborough Community College and Queens College. Beverly and her husband Randy, a former defensive back for the New York Jets, have one son, Preston.

### JOE CAIOLA

*Assistant Director of Athletics/  
Business, Facilities & Event  
Management*

Joe Caiola filled several roles in the NJIT athletics department before being awarded his current position of assistant director of athletics for business, facilities and event management in January 2001.

Caiola is one of only three Highlander men's basketball players to score at least 40 points in a game. He received a bachelor's degree in

mechanical engineering in 1980 and a master's in management from NJIT in 1984.

In the three years before his promotion, Caiola had served as assistant men's basketball coach, marketing director, recruiting coordinator, and sports information director. He lives in Edison with his wife, Carol, and sons Joseph, 13, and Anthony, 11.

### JIM CASCIANO

*Assistant Director of Athletics*

Jim Casciano was tabbed as assistant director of athletics and head men's basketball coach in July 2001. In his first season, he led the Highlanders to a 15-12 record and a second-place finish in

the Central Atlantic Collegiate Conference, and was named CACC Co-Coach of the Year.

Casciano has 161 career victories in 13 seasons as a senior college coach, including stints at Castleton State College, St. Michael's College, and King's College. Additionally, he posted a 50-19 record in three seasons at Wayne Valley Military College of the NJCAA, where five of his players earned Division-I scholarships.

While at St. Michael's, he was the Mideast Collegiate Conference Coach of the Year in 1985-86. His 2000-01 King's team won the Eastern College Athletic Conference Division III South Championship.

Casciano played collegiately at Drexel University, earning a bachelor's degree in business administration in 1974. He and his wife, Daphne, reside in Basking Ridge.

## Athletics Support Staff

### KATHLEEN HEITZMAN

#### *Assistant Director of Athletics/ NCAA Compliance & Eligibility*

Kathleen Heitzman became NJIT's first full-time compliance officer when she was hired in August 2001.

Heitzman joined the Highlander staff after two years as assistant athletics director and senior woman administrator at San Francisco State University. Prior to that, she was the compliance coordinator at California State University-Northridge. She has also completed internships with the NCAA and the Metro-Atlantic Athletic Conference.

A native of Nampa, Idaho, Heitzman is a 1990 graduate of the University of the Redlands, earning a bachelor of arts degree in sociology/anthropology. She received a juris doctorate from Marquette University Law School in 1994 and currently lives in Cranford.

### MARK MENTONE

#### *Coordinator of Sports Information Services*

Mark Mentone was awarded his first full-time position when NJIT selected him for its vacant coordinator of sports information services position in September 2000.

Mentone has spent six years in the sports information profession, beginning as an intern at Hartwick College in Oneonta,

New York, in 1996-97. He was a part-time assistant SID at Southern Connecticut State University for three years, and was the main media contact for the Owls' back-to-back Division II national championships in men's soccer in 1998 and 1999.

Mentone, a member of the ECAC Sports Information Directors Association (ECAC-SIDA) and College Sports Information Directors of America (CoSIDA), is also the information director for the Central Atlantic Collegiate Conference. A native of Hamden, Connecticut, he is a certified high school baseball umpire in both Connecticut and New Jersey. He resides in Bloomfield.

### ROGER OLEAN

#### *Athletic Trainer*

Roger Olean became NJIT's full-time athletic trainer in August 2000, and provides training services at every home event and practice.

Olean came to NJIT after one year as the athletic trainer at Leechburg (Pa.) High School. He had five previous seasons of collegiate experience, serving as the head trainer at Hood College and Rivier College and as a teaching associate at Springfield College. He has also worked as an emergency medical technician and an aquatic rehabilitation supervisor.

A 1991 graduate of Slippery Rock University with a bachelor of science degree in allied health, Olean received a master of education in physical education from Springfield in 1996. He is a member of the National Athletic Trainers' Association (NATA).

## Coaching Staff

### 6 BRIAN CALLAHAN

#### Head Coach

In his first season as a collegiate head coach, Brian Callahan turned in a 14-23 record, the most victories for the Highlanders in their four years as a member of NCAA Division II.

Callahan, 27, was one of the nation's youngest head coaches when he was hired in the fall of 2000. He had spent the previous spring with NJIT as an assistant to Dave Sawicki. He has also

been an assistant at Ferris High School and Felician College.

Callahan was a four-year letterwinner at Division-I St. Peter's College in Jersey City. As a senior for the Peacocks, he was a Metro-Atlantic Athletic Conference all-academic selection. From 1996 to 1998, he served as gradu-

ate assistant sports information director and assistant baseball coach at his alma mater.

A graduate of Bayonne High School, Callahan received a bachelor's degree in history and elementary education in 1996, graduating magna cum laude, and a master's in education administration and supervision in 1998 from St. Peter's. He resides in Bayonne.

*This NJIT-owned Chevrolet Suburban is the "unofficial" vehicle of Highlander baseball.*

## Coaching Staff

### 20 JEFF SONNEMA

#### Assistant Coach

Jeff Sonnema, a 1999 graduate of NJIT, is in his third season as an assistant men's basketball and baseball coach at his alma mater.

A former pitcher and first-baseman, Sonnema led the Highlanders in both wins (3) and earned-run average (3.55) in his senior season. He also hit .309 that year with four home runs and 27 runs batted in. For his efforts, he was chosen team most valuable player and NJIT's outstanding senior male athlete.

Sonnema was a four-year letterwinner in both basketball and baseball. On the hardwood, he was the Highlanders' MVP as a junior in 1996-97 after leading the team in scoring (14.4 ppg) and rebounding (8.5 pg). He represented NJIT that year in the New Jersey College Basketball Coaches All-Star Game.

Sonnema, who owns a bachelor's degree in management, lives in North Haledon. He is engaged to be married to Katie Steingina in March 2003.

### 41 ED WARD

#### Assistant Coach

Longtime area coach and official Ed Ward joined the NJIT baseball staff in the fall of 2001.

Ward was the first-ever head coach at Felician College, going 34-42 in two seasons. During his tenure,

his teams defeated three nationally-ranked Division-II opponents and one Division-I squad. Prior to Felician, he spent 12 years as an assistant coach at Division-I Fairleigh Dickinson University, with recruiting, field maintenance, fundraising and development of the outfielders among his responsibilities.

Ward is an assistant men's basketball coach at Montclair State University. He is an IAABO-certified basketball official and an NJSBIA-certified baseball umpire, and has coached both sports at the high school level. This summer, he will be on the coaching staff for home games of the Atlantic League's Newark Bears.

Ward received a bachelor of arts degree in physical education from Kean College in 1981. An Elizabeth resident, he is a physical education and health teacher at St. Aloysius High School in Jersey City.

### Newark:

#### The Renaissance City

NJIT is located in the heart of New Jersey's largest city. A major urban center, Newark is a city on the move. Some 30,000 undergraduate, graduate and professional students attend classes in University Heights at the city's four public institutions of higher learning: NJIT, Rutgers-Newark, UMDNJ, and Essex County College.

Attractions in Newark's revitalized downtown include:

- The Newark Museum
- New Jersey Performing Arts Center
- The Newark Public Library
- Symphony Hall
- Branch Brook Park
- Art galleries, restaurants, and shopping
- An urban architectural laboratory
- Professional minor league baseball (Newark Bears)

### Newark:

#### New Jersey's College Town

Adjacent to NJIT is the Newark campus of Rutgers University.

NJIT and Rutgers enjoy an exceptionally close and productive consortial relationship within the thriving University Heights section of Newark. NJIT and Rutgers students

have library privileges at both campuses. NJIT students may also enrich their educational experience by enrolling in Rutgers-Newark courses and in full degree programs in disciplines not offered at NJIT, such as art, music, geology and psychology.

Each year the two universities co-sponsor a common season of theatrical productions, as well as "World Week," a joint program of honors colloquia, and a variety of other cultural and social activities.

#### New Jersey/New York Metropolitan Region

The NJIT campus is in one of the nation's most exciting cultural and business regions. Advantages include:

- Minutes from New Jersey Performing Arts Center, Liberty Science Center, Meadowlands

Jeff Goldberg - Esto Photographics, Inc.

*The New Jersey Performing Arts Center (NJPAC) in downtown Newark*

Sports Complex, Manhattan and all of its attractions, Newport Center Mall, and Secaucus Outlet Center.

- Discount tickets for Broadway shows, museums, concerts, and sporting events.
- Weekend trips throughout the northeastern United States: skiing, boating, swimming, hiking, and much more.
- The spectacular Jersey shore is less than one hour away.

The NJIT athletics department now offers several ways for media and fans to keep up with the Highlanders:

### [www.njit.edu/athletics](http://www.njit.edu/athletics)

NJIT sports news, results, and schedules are available by logging onto <http://www.njit.edu/athletics>. The Highlanders' athletic web page is co-ordinated by NJIT students **Ron Horn** and **Amit Joshi**.

The page was redesigned and relaunched in the fall of 2000 by then-graduate student **Amit Desai**. Horn and Joshi now maintain the site under the supervision of **Mark Mentone**, coordinator of sports information services.

Currently available are rosters and schedules of all 13 NJIT varsity inter-collegiate sports, the latest department press releases and weekly notebooks, biographies of coaches and selected athletes, and the NJIT Alumni Athletic Hall of Fame. Future plans include record books photo albums and feature stories.

**(973) 596-5555**

New for 2001-02 is the NJIT Sports Hotline, (973) 596-5555. Option 1 will give the user the most recent varsity results. Option 2 provides upcoming events and special announcements.

Users will also be able to leave a message for the sports information office.

### E-Mail Distribution List

Anyone can receive the most recent NJIT athletics press releases electronically by joining the department's e-mail distribution list. Membership is free. Created in the winter of 2000-01, the list has been refined so that users can receive all releases or just the ones in which they are most interested.

To begin receiving Highlander news in your inbox, fill out the form on the athletics website or send a message to Mark Mentone at [mentone@adm.njit.edu](mailto:mentone@adm.njit.edu).

### Campus Message Board

Mark Mentone

Visitors or members of the campus community are encouraged to check out the new electronic message board to the right of the gym entrances to the Fleisher Athletic Center.

The board, installed in January 2001, provides department and campus news 24 hours a day on a flashy amber-colored LED display. Those approaching from the campus green area can learn such tidbits as upcoming events, recreational classes, new staff members, and intramural champions, as well as the latest varsity scores and highlights.

## About NJIT

NJIT's history spans from the Industrial Revolution to the Information Age. Newark was a factory town when the tuition-free evening school was founded in 1881 to support local industries. From the early days, science and technology have been the engines fueling the university's development.

Over time, the university both anticipated and responded to change by expanding its curriculum and mission. Most notably, in 1919, the university established baccalaureate programs in three engineering fields. By 1975, NJIT offered a broad range of undergraduate and graduate degrees. All programs included significant research and public service components with the goal of providing an academic environment that fostered intellectual depth and breadth, as well as social responsibility.

Today, continuing a fourfold mission of instruction, research, economic development and public service, NJIT is among the leading comprehensive technological universities in the nation. The university has state-of-the-art facilities with more than 2,000,000 square feet of space located on a 45-acre campus in Newark, a Technology and Engineering Center at our 125-acre campus in Mount Laurel shared with Burlington County College, and a solar observatory in Big Bear, Calif.

### NJIT's Six Colleges

While there has been tremendous growth and diversification at NJIT, its roots are in engineering education. For more than eight decades, **Newark College of Engineering (NCE)** has been preparing engineering students to use science, mathematics, technology and problem-solving skills to design, construct, test and main-

tain products, services, and information systems.

The **New Jersey School of Architecture**, established in 1974, is one of the largest architecture schools in the nation and is nationally recognized for the innovative integration of computer technology into the design curriculum.

The **College of Science and Liberal Arts (CSLA)**, established in 1982, is moving into the forefront of many national research activities from solar astronomy to computational and mathematical modeling. CSLA provides students with the skill sets for the professional marketplace including literacy in the computer, mathematical, physical and biological sciences, as well as the traditional liberal arts disciplines.

The **School of Management**, established in 1988, combines the best of the traditional business disciplines (e.g., finance, marketing, accounting, e-commerce) with the power of information and technology management to develop professionals who can manage and communicate effectively.

The **Albert Dorman Honors College**, established in 1993, offers one of the nation's leading technologically oriented honors programs for students who are prepared to undertake a rigorous and individualized course of study.

The **College of Computing Sciences**, established in 2001, encompasses a department of computer science, focused on both the theoretical areas of computing and the development of new computer technology, as well as a department of information systems, concentrated on applications involving people and organizations.

### NJIT Mission Statement

NJIT is a **public, urban, research university**, committed to the **pursuit of excellence** in

- \* undergraduate, graduate, and continuing professional **education**, preparing students for productive careers and amplifying their potential for lifelong personal and professional growth;

- \* the conduct of **research** in such multi-disciplinary areas as environmental engineering, materials science, manufacturing, productivity enhancement, infrastructure systems, communications, technologies, and an array of bio-related sciences and technologies;

- \* contributing to the state's **economic development** through part-

nerships and joint ventures with the business community and through the development of intellectual property;

- \* **service** to both its local communities and the broader society of the state and nation by conducting public policy studies, making educational opportunities widely available, and initiating community-building projects.

NJIT **prepares its graduates** for positions of leadership as professionals and as citizens, **provides educational opportunities** for a broadly diverse student body, **responds to needs** of large and small businesses, state and local governmental agencies, and civic organizations, and **advances the uses of technology** as a means of improving the quality of life.

### NJIT: A "MOST-WIRED" UNIVERSITY

*Yahoo! Internet Life magazine has perennially ranked NJIT as a "most-wired" university. As such, the university is nationally recognized as a pioneer in the use of computing and information technologies.*

*As a public research university, NJIT is educating leaders for a technology-driven economy. The university is rethinking educational programs to emphasize marketplace skills, and redesigning its methods of delivering education. Indeed, computing and information technology underpin every facet of the NJIT mission.*

*NJIT received Carnegie Foundation designation as a Doctoral II university in 1994 and has been ranked among the top universities by U.S. News and World Report every year since. NJIT expends more than \$45 million in a panoply of research and development partnerships with industry, government, and other universities. NJIT researchers are making important advances in a wide range of areas, including the biosciences, manufacturing, microelectronics, multimedia, transportation, computer science, solar astrophysics, environmental engineering and science, and architecture and building science.*

*For more than a century, NJIT has been an important conduit through which technology flows into society. NJIT plays an essential role in the economic and social life of the state and nation. At NJIT, the objective is to provide graduates with analytic skills as well as an ability to integrate the work of multiple disciplines to manage and lead knowledge-based and technology-dependent businesses.*

*The mission of a technological university requires that NJIT continue to recognize emerging trends in the economy, the sciences, and technology, and to anticipate their impact on society by developing appropriate educational and research programs.*

## Facilities

The NJIT baseball team plays most of its home games at **Lubetkin Field**, a lighted, natural-grass campus facility adjacent to the **Estelle and Zoom Fleisher Athletic Center**.

Lubetkin, which is also home to the Highlanders' men's and women's soccer teams, contains a scoreboard and pressbox facilities, and has seating to hold approximately 1,000 spectators. The field is also used for physical education and intramurals.

The NJIT men's and women's basketball and volleyball teams play their home games at **Entwisle Gymnasium**, the main facility in the Fleisher Center. Entwisle seats approximately 1,500 spectators. The back bay, "C gym," area can be sectioned off from

*The Fleisher fitness center features computer-controlled biking equipment, Cybex resistance units, and an indoor track.*

the main floor, making the entire gymnasium useful for intramural events, physical education classes, and campus recreation time, and able to host multiple events simultaneously.

The baseball team also has access to all of the other facilities in the athletic center. These include the fitness area (containing computer-controlled biking equipment, Cybex resistance units, and an indoor track), a free-weight room and a hammer-strength weight room, four racquetball courts (which can be converted for squash), a martial arts center, and an aerobics/dance studio. A six-lane swimming pool is home to NJIT's men's and women's swimming teams, while the two varsity tennis squads host matches and practices at four lighted outdoor hardcourt tennis courts behind the building. The Hazell Student Center houses six regulation bowling lanes.

*NJIT's weight room, in the basement of the Fleisher Athletic Center.*

## Riverfront Stadium

Courtesy Newark Bears

For the third consecutive season, the NJIT baseball team will play selected home games at Bears & Eagles Riverfront Stadium in downtown Newark.

NJIT will play 11 games on seven of its 2002 home dates at Riverfront, by far the most in its three-year association with the facility. Riverfront, located just a mile from the NJIT campus, is home to the Newark Bears of the independent Atlantic League of Professional Baseball Clubs. Opened in July 1999 at a cost of \$30 million, Riverfront seats 6,200 spectators.

NJIT was 14-23 overall last season, but 3-1 at Riverfront.

"Over the past two seasons we've had a winning record at Riverfront," said second-year NJIT head coach **Brian Callahan**, who was an assistant in 2000. "The team seems to raise its level of play there. By playing more games at Riverfront this season, we should feel even more at home there, and hopefully continue our winning ways."

### 2002 NJIT Riverfront Stadium Schedule

**Wednesday, April 3, 4 p.m.**  
**vs. Nyack (DH)**

**Tuesday, April 9, 4 p.m.**  
**vs. Staten Island**

**Wednesday, April 17, 4 p.m.**  
**vs. Dowling (DH)**

**Friday, April 19, 5 p.m.**  
**vs. St. Thomas Aquinas**

**Tuesday, April 23, 4 p.m.**  
**vs. Caldwell (DH)**

**Wednesday, April 24, 5 p.m.**  
**vs. West Chester**

**Sunday, April 28, noon**  
**vs. East Stroudsburg (DH)**

## Directions to NJIT

### **Garden State Parkway (GSP):**

Take Exit 145 to Route 280 East, then follow Route 280 East directions.

**New Jersey Turnpike:** Take Exit 15W to Route 280 West, then follow Route 280 West directions.

**Route 280 West:** After draw-bridge, take Exit 14B (Broad Street/King Blvd.). At bottom of exit ramp, make a left. Go one block to stop sign. Make a left on King Blvd. Go five lights to Warren Street. Make a right on Warren Street. Go two blocks to Colden Street. Make a left on Colden Street. Follow signs to NJIT Parking Deck.

**Route 280 East:** Take Exit 13 (First Street/Newark). At light, make a right on First Street. Go three lights to W. Market Street. Make the soft left on W. Market Street. Go four lights to King Blvd. Make a left on King Blvd. Go one light to Warren Street. Make a left on Warren Street. Go two blocks to Colden Street. Make a left on Colden Street. Follow signs to NJIT Parking Deck.

**Route 1 & 9 North & South:** Take exit marked Newark, Route 21 (McCarter Highway). Cross bridge. At light at end of bridge, make quick left then quick right for Broad Street. (There are clear signs for Broad Street) Go about 1 mile. Make a left on Court Street. Make a right at third light on King Blvd. Make a left at fifth light on Warren Street. Go two blocks to Colden Street. Make a left on Colden Street. Follow signs to NJIT Parking Deck.

**Route 78:** Take Route 78 to the Garden State Parkway. Follow GSP directions.

**Route 22:** Take Route 22 to Route 21 North. Follow directions for Route 21 North.

**Route 21 North:** Cross bridge. At light at end of bridge, make quick left then quick right for Broad Street. (There are clear signs for Broad Street.) Go about 1 mile. Make a left on Court Street. Make a right at third light on King Blvd. Make a left at fifth light on Warren Street. Go two blocks to Colden Street. Make a left on Colden Street. Follow signs to the NJIT Parking Deck.

**Route 21 South:** From 21 South, turn right on Bridge Street. Turn left on Broad Street. Go one block and turn right on Washington Place. Go one block and turn left on Halsey Street. Go one block and turn right on Central Avenue. Make the third left on King Blvd. At first light, turn right on Warren Street. Go two blocks to Colden Street. Make a left on Colden Street. Follow signs to NJIT Parking Deck.

**New York Thruway:** Thruway to Exit 14A, Garden State Parkway. Follow GSP directions above.

**George Washington Bridge:** NJ Turnpike South to Exit 15W. Follow Route 280 West directions above.

**Lincoln Tunnel:** West on Route 3 to NJ Turnpike South to Exit 15W. Follow Route 280 West directions above.

**From Brooklyn, Queens and Long Island:** Take Verrazano-Narrows Bridge (Interstate 278) and follow 278 across Staten Island. Cross Goethels Bridge. Follow signs to New Jersey Turnpike North then follow New Jersey Turnpike directions above.

## Directions to Riverfront

### FROM THE SOUTH

**Via NJ Turnpike:** Follow NJ Turnpike North to exit 15W (Newark / The Oranges). After toll booth follow Route 280 West to exit 15A (Route 21 - Downtown). Follow signs to Route 21 South (McCarter Highway). Make a right onto Route 21 South, 2nd light make a right on to Bridge Street.

**Via Garden State Parkway:** Follow the Garden State Parkway North to exit 145 (Route 280) Follow Route 280 East. Stay to the right to exit 15 (Route 21 South - Downtown). At the bottom of the ramp, make right onto Route 21 South, (McCarter Highway). At the 2nd light make a right onto Bridge Street.

### FROM THE WEST

**Via Route 280:** Follow Route 280 East to exit 15 (Route 21 South - Downtown). At the Bottom of the ramp, make a right onto Route 21 South, (McCarter Highway). At the 2nd light make a right onto Bridge Street.

**Via Route 78:** Follow Route 78 East until it splits near Newark Airport. Stay right and follow Routes 1&9 South to Route 21 North (McCarter Highway). You will travel across the viaduct into downtown Newark. After crossing the viaduct stay in the left hand turn lane and at the first light make a left onto Miller Street. Make a right hand turn onto Broad Street. Follow Broad Street for about 20 blocks. Make a right on to Bridge Street.

### FROM THE NORTH, NORTHEAST & N.Y. CITY

**From New York City:**

*From GW Bridge or Lincoln Tunnel follow signs to the NJ Turnpike*

South. Take NJ Turnpike South to exit 15W. Follow directions from exit 15W below.

*From The Holland Tunnel:* Follow signs to the NJ Turnpike North. Take NJ Turnpike North to exit 15W. Follow directions from exit 15W below.

**Via NJ Turnpike:** Follow NJ Turnpike South to exit 15W (Newark / The Oranges). After the toll booth Route 280 West to exit 15A (Route 21 - Downtown). Follow signs to Route 21 South (McCarter Highway). Make a right onto Route 21 South, (McCarter Highway), at the 2nd light make a right onto Bridge Street.

**Via Garden State Parkway:** Follow Garden State Parkway South to exit 145. Follow signs to Route 280 East. Follow Route 280 East to exit 15 (Route 21 South - Downtown). Make a right at the bottom of the ramp onto Route 21 South (McCarter Highway), at the 2nd light make a right onto Bridge Street.

### From NJIT To Riverfront (one mile)

From Fleisher Athletic Center, 80 Lock Street, travel northeast on Lock (toward New Street) and turn right onto Central Avenue. Follow one-half mile to Washington Street and turn left. After 0.2 miles Washington becomes Bridge Street. Follow signs to Stadium parking on left.

**NJIT**

New Jersey Institute of Technology

*A Public Research University*

When NJIT reclassified its athletics programs to NCAA Division II from Division III in 1997, the Highlanders joined the New York Collegiate Athletic Conference (NYCAC). After three years of NYCAC play, the Highlanders began a new era in the fall of 2000 as members of the **Central Atlantic Collegiate Conference (CACC)**.

NJIT is the only school in the 12-member CACC with full NCAA membership. The other institutions possess provisional NCAA status, as they are in the process of switching affiliation from the National Association of Intercollegiate Athletics (NAIA).

The CACC has allowed the Highlanders to save tremendously on travel time and costs. NJIT is centrally located in the conference, and four other member schools are in New Jersey, allowing the opportunity to foster local rivalries.

**2002 Preseason Coaches' Poll:** 1) Dominican (N.Y.) College; 2) Wilmington (Del.) College; 3) Nyack College; 4) Felician College; 5) Caldwell College; **6) NJIT**; 7) Teikyo Post University; 8) Bloomfield College; 9) University of the Sciences in Philadelphia.
