#### MEDIA INFORMATION

This guide is designed to assist the media in their coverage of New Jersey Institute of Technology men's basketball. The NJIT sports information services department will provide an official NCAA box score within 15 minutes after the conclusion of each home game, with play-by-play available upon request.

All requests for interviews with players and coaches must be made through the sports information office, 973-596-8324. Following games, Coach Casciano and selected players will be available on the floor following a 10-minute cooling-off period. All visiting radio broadcast requests should be made at least two weeks in advance.

#### **CREDITS**

The 2001-02 NJIT Men's Basketball Guide is a production of the NJIT sports information services department, Mark Mentone, coordinator. Writing and design by Mark Mentone on Adobe PageMaker 7.0. Editorial assistance provided by Jim Casciano, Joe Caiola '80, and Carol Pilla. Graphic design consultation from Johanna Moroch. Additional research by Jon Coleman '03 and André Narvaéz '03. Except where indicated, photography by PM Studios, Edison, New Jersey, Printing by Prestige Graphics, Union, New Jersey.

Juniors Joe Accurso (44) and Ahmad Rasool (5)

#### "NJIT Basketball - The Best of Both Worlds"

#### ON THE COVER:

Left: Sophomore forward **Demond Cowins**;

> Right: Junior guard Ahmad Rasool.

The New Jersey Institute of Technology men's basketball program has a different head coach for the first time in 23 years. The new man in town, Jim Casciano, feels that change is inevitable in such situations, even on a Highlander squad with eight returning letterwinners.

"When a coach comes in new, he will judge success differently," Casciano said. "Everyone is like a freshman, because when the coach and the system

are new, the whole team goes through freshman-like growing pains."

Therefore, Casciano's main goal for the upcoming season is simply to get better as the year goes on.

"It's hard to say how good we'll be," he said. "If we can establish a solid work ethic and understand the commitment necessary to compete at this level, the wins and losses will take care of themselves. How long that process takes is anyone's guess, but if our attitude continues to improve every day, by the second half of the season we can be the type of team people don't want to play.

"Ultimately, my goals for the program are to be in the upper echelon of the (Central Atlantic Collegiate) Conference and to be competitive nationally."

"Ahmad is a quick, explosive guard with good scoring ability," Casciano said. "Mars has emerged quickly because of his Division-I experience and being older than the other guys. He can score in many different ways, defend well, and has the intangibles of a leader."

Juniors Olivier Ehveramendy (1.5 ppg, 0.7 apg). Justin Feintuch (1.3 ppg), and co-captain Matt Martins (1.7 ppg) are competing for roles in the playing rotation.

Demond Cowins (white shirt, foreground) and Ahmad Rasool (background) were NJIT's top scorers in 2000-01.

#### BACKCOURT

In the preseason, junior Ahmad Rasool (13.9 ppg, 4.1 rpg, 4.8 apg, 2.6 spg in 2000-01) and graduate student Mars Mellish have established themselves as the lead guards. Rasool played his freshman season at Wheeling Jesuit University before transferring to NJIT last year. Mellish, a co-captain, is a 2001 graduate of Manhattan College, and averaged 6.7 points per game over three seasons of play.

#### **FRONTCOURT**

Sophomores **Demond** Cowins and Phil Renaud are the frontrunners at center and power forward. Cowins led the team in scoring (15.1 ppg), rebounding (7.0 pg) and field-goal percentage (.586) as a rookie, while Phil Renaud put up 13.8 points and 6.3 rebounds per contest while shooting .535 from the field.

Depth comes from juniors Joe Accurso and transfer Yung-Kwang Kiely. Accurso played in all 28 games last year, with his 11 starts coming mostly in the season's latter stages.

"Demond has the most talent on our team, and he has gotten stronger, "Casciano said. "He has the talent to be an all-conference-type player. Phil plays much bigger than his size, and has an uncanny ability to

score around the basket. Joe is a dedicated, hard-working, serviceable post player who will look to expand his game. And Yung gives us size, strength, and an ability to score facing the basket."

Youth will reign at the small forward spot. Sophomore Ricky Urban (0.3 ppg, 0.9 rpg) moves over from shooting guard for a spirited competition with freshmen Kevin Burns and Randle DeFalco.

#### DR. SAUL K. FENSTER

#### President

Dr. Saul K. Fenster is the sixth president of New Jersey Institute of Technology. Prior to joining NJIT in 1978, he served in various faculty and administrative capacities at Fairleigh Dickinson University, including six years as provost of the Rutherford campus.

with the Sperry Rand Corporation and as a partner in an industrial consulting firm.

Fenster is a mechanical engineer. He earned a bachelor's degree from the City College of New York, a master's degree from Columbia University and a Ph.D. from the University of Michigan. He has authored and co-authored two textbooks and numerous research papers and technical articles. His industrial experience includes a period as senior research engineer

Fenster has served on many statewide task forces, commissions and committees. He is currently a board member of the New Jersey Commission on Science and Technology, and a past chair of the Research and Development Council of New Jersey.

#### Vice-President for Academic and Student Services

Dr. Joel Bloom has worked at NJIT since July 1990. In his current position of vice-president for academic and student services, he is responsible for nine divisions of the university, including physical education and athletics.

Bloom also serves as the dean of the Albert Dorman Honors College, which enrolls 460 students from 15 states and several foreign countries with an average SAT score of 1322.

Prior to NJIT, Bloom spent seven years as assistant commis-

sioner in the New Jersey Department of Education for the division of general academic education. He currently chairs the State College Advisory Bound Board and the Newark Consortium Board for Pre-College Education.

Bloom earned bachelor's and master's degrees from Hunter College, and holds a master's and doctorate from Columbia University Teachers College.

#### Senior Administrator for Athletics, Physical Education, Recreation and Intramurals

After serving 11 years in the athletic department at Division-I Manhattan College, Lenny Kaplan was appointed in August 2000 to NJIT's newly-created position of senior administrator for athletics, physical education, recreation and intramurals.

Kaplan is a 1988 graduate of St. John's University with a degree in athletic administration. After three vears as Manhattan's director of operations, he spent the last eight as an assistant athletic director. At NJIT, he reports to Dr. Joel Bloom, vicepresident for academic and student services.

Kaplan is a native of Commack, Long Island, and attended Commack High School South. He resides in Manhattan with his wife, Nancy, and their sons, Michael and Joshua.

#### JIM CASCIANO

#### Head Coach

Jim Casciano brings his reputation for building winning programs to NJIT for the 2001-02 season.

Casciano comes to NJIT after winning the ECAC Division III South tournament last year with King's College in Wilkes-Barre, Pennsylvania. The Monarchs also earned their first Middle Atlantic Conference playoff berth since 1993-94 en route to a 19-9 overall record.

Casciano, 49, spent five seasons at King's. He had just 12 victories in his first three years before the Monarchs improved to 13-11 in 1999-2000, their first winning campaign out of the previous six. At NJIT, he replaces the program's all-time winningest coach, Jim Catalano, who was 433-176 in 22 seasons, including five NCAA appearances and three ECAC titles, before resigning in April.

"I came to NJIT for the challenge," Casciano said. "I wanted the opportunity to once again build a program, and to work with scholarship athletes. NJIT has great academics, and an athletic department that has a commitment to its athletes and wants to be successful."

Casciano has coached in all three divisions of the NCAA as well as at the NAIA and junior college levels. As a head coach, he has become best-known for rebuilding struggling programs. In his only season at Castleton State (Vt.) College in 1982-83, he established a school record for victories, going 14-11, and earned a berth in the NAIA tournament.

Casciano then moved on to Division-II St. Michael's College in Winooski, Vermont. After two rebuilding years, his 1985-86 squad went 19-10, earning Casciano Mideast Collegiate Conference coach-of-thevear honors.

The next year, the Purple Knights won the MCC championship and earned the program's first NCAA tournament berth in 20 years. With an overall record of 20-11, it was St. Michael's first 20-win season in 12 years. The Knights were ranked No. 1 nationally in Division II by several publications, including Sports Illustrated, in the 1987-88 preseason.

Casciano compiled four consecutive winning seasons with St. Michael's before leaving after the 1988-89 season. After four years as a Division-I assistant, he became the head coach at Valley Forge Military College in Wayne, Pennsylvania. In three seasons with the NJCAA school, he compiled a 50-19 record and had five players earn Division-I scholarships.

Casciano began his coaching career as an assistant to Rollie Massimino at Villanova University in 1975. He has also assisted at the University of Delaware, Washington & Lee University, Old Dominion University, and Radford University.

Casciano played collegiately at Drexel University, earning a bachelor's degree in business administration in 1974. He and his wife, Daphne, reside in Basking Ridge, New Jersey.

#### CASCIANO'S HEAD COACHING RECORD

1982-83	Castleton State	14-11
1983-84	St. Michael's	7-19
1984-85	St. Michael's	7-21
1985-86	St. Michael's	19-10
1986-87	St. Michael's	20-11
1987-88	St. Michael's	17-11
1988-89	St. Michael's	18-10
1993-94	Valley Forge Military	16-9
1994-95	Valley Forge Military	17-6
1995-96	Valley Forge Military	17-4
1996-97	King's	3-20
1997-98	King's	2-22
1998-99	King's	7-17
1999-2000	King's	13-11
2000-01	King's	19-9
Total	15 years	196-191
4-year schools		146-172

#### CASCIANO'S COACHING TIMELINE

1974-75	Assistant Coach, Villanova University
1975-76	Assistant Coach, University of Delaware
1977-80	Assistant Coach, Washington & Lee University
1980-82	Assistant Coach, Old Dominion University
1982-83	Head Coach, Castleton State College
1983-89	Head Coach, St. Michael's College
1989-90	Assistant Coach, Radford University
1990-93	Assistant Women's Coach, Temple University
1993-96	Head Coach, Valley Forge Military College
1996-2001	Head Coach, King's College

#### "The Total Program"

#### **DEDICATED TO EXCELLENCE**

"NJIT: The Total Program"

NJIT's basketball coach, Jim Casciano, has dedicated his coaching philosophy to the development of the total person. In the classroom, on the court, and in everyday life, Casciano believes his student-athletes will develop into well-rounded, purposeful individuals through a commitment to four areas: (1) Teaching Values; (2) Building Dreams; (3) Formula for Success; and (4) the Head Coach - Casciano's individual role. The following is a summary of Casciano's philosophy:

#### Teaching Values

- Discipline
- · Work ethic
- · Communications
- Learning
- Caring
- · Decision making

#### Formula for Success

- Recruit good people
- · Develop a strong work ethic
- · Emphasis on academic achievement
- · Develop basketball skills
- · Develop broad-based support
- · Community involvement
- · Create a "family atmosphere"

#### **Building Dreams**

- · Gain respect
- · Build a tradition
- · Campus and community support
- 100% graduation rate
- Championship teams
- · NCAA post-season play

#### Head Coach

- Dedication
- Enthusiasm
- Knowledge
- · Positive role-model
- Discipline
- Faith
- Family

#### JIM CASCIANO'S "TEN-STEP APPROACH"

#### to Academic Success

In his 12 years as a head coach, Jim Casciano has a 100-percent graduation ratio of players who have remained in his program for four years. He credits this to his "Ten-Step Approach" to academic success, listed below:

- 1. Place sincere emphasis on academics.
- 2. Develop communications with the academic community.
- 3. The assignment of an assistant coach as academic coordinator, with other coaches serving as academic coaches.
- 4. Academic Coaches Time Management Program (Each coach is assigned players and is responsible for monitoring their academic progress. Use of time management sheets and meeting with players individually weekly or bi-weekly).
- 5. Letters of introduction to professors.
- 6. Monthly Grade Sheets Each player must personally have his instructors fill out grade sheets and return them to the academic coordinator.
- 7. Mandatory Study Hall Held Monday through Thursday, two hours each day, eight hours per-week. Mandatory for all freshmen, transfer students, and any player with less than a 3.0 GPA.
- 8. Effective use of tutors, counselors, advisors, and resource materials.
- 9. Effective use of summer school sessions. Helpful in students' maintaining credits and staying on course to graduate.
- 10. Emphasis on class attendance and minimizing conflicts with classes as a result of practice, games, and travel.

#### **ANTHONY WALKER**

#### Assistant Coach

Anthony Walker joins the NJIT staff after two seasons coaching under Jim Casciano at King's College.

He will work with the Highlanders' perimeter players and coordinate recruiting.

Walker enjoyed a stellar collegiate playing career at Division-I Radford University. He graduated in 1997 as Radford's second-all-time leading scorer with 1,601 points and

the career assist leader with 510.

As a senior, Walker was a first-team all-Big South Conference selection. He became the first player in Radford history to be invited to the Portsmouth (Va.) NBA pre-draft camp. He was the Big South rookie of the year in 1994.

Walker is a graduate of Linden McKinley High School in Ohio, where he was a two-time all-state selection. He then played one season at Hargrave Military Academy. He resides in Woodbridge, New Jersey.

#### **JEFF SONNEMA**

#### Assistant Coach

Jeff Sonnema joined Dr. James Catalano's NJIT staff almost immediately after graduating from NJIT in

1999 with a bachelor of science degree in management. He has been retained by coach Casciano, for whom his familarity with the school, the returning players, and the Central Atlantic Collegiate Conference will be a major asset for practice planning and scouting.

Sonnema is a former Highlander MVP in both basketball (1997) and baseball (1999) and was a fouryear letterwinner in both sports. He led NJIT in scoring (14.4 ppg) and rebounding (8.5 pg) in 1996-97, and was selected to the New Jersey College Basketball Coaches All-Star Game. He was NJIT's Outstanding Senior Male Athlete in 1998 following his final season of baseball eligibility.

Sonnema is also an assistant baseball coach at NJIT. He lives in North Haledon, New Jersey

#### **RICH SPOTTSWOOD**

#### Assistant Coach

Rich Spottswood has played for Coach Casciano at Valley Forge Military and coached with him at King's

College. He brings that experience to NJIT as an assistant coach for the 2001-02 season. Among his responsibilities is the coordination of the players' strength and conditioning programs.

A New Orleans native, Spottswood scored over 1,000 points

in two seasons at Valley Forge Military Academy playing for Casciano. He averaged 22.0 points per game for his career and was an Eastern Pennsylvania All-Star. He then earned a scholarship to NAIA Division-I University of Mobile (Ala.)., where he finished his playing career with two injury-plaqued seasons.

Spottswood was a two-time all-league selection for Archbishop Rummel High School in New Orleans. He received a bachelor's degree in health education from Mobile in 1999, and currently resides in Woodbridge, New Jersey.

#### **WILLIAM ABANYIE**

#### Manager

NJIT sophomore William Abanyie is in his first season as men's basketball team manager.

Abanyie, 20, is a 2000 graduate of Willingboro (N.J.) High School. A dean's list student in NJIT's Educational Opportunity Program, he is majoring in professional and technical communications with a gradepoint average of 3.1

Abanyie was born in Cape Coast, Ghana. He is the youngest of four children of Tony and Nancey Abanyie of Willingboro.

# A Reputation

## 100 Years In the Making

A century of excellence is an accomplishment to be proud of . . . in any business. At Turner, we are watchful guardians of our reputation for quality, value, service and meeting deadlines and budgets. It is what has generated most of our assignments over the years. Our reputation is why two-thirds of our clients represent repeat business.

Our achievements in New Jersey have been vital in helping build our good name. That is why Turner remains committed to the growth and progress of the Garden State, as well as to continuing to build upon our reputation for excellence.

#### **About NJIT**

NJIT's history spans from the Industrial Revolution to the Information Age. Newark was a factory town when the tuition-free evening school was founded in 1881 to support local industries. From the early days, science and techology have been the engines fueling the university's developement.

Over time, the university both anticipated and responded to change by expanding its curriculum and mission. Most notably, in 1919, the university established baccalaureate programs in three engineering fields. By 1975, NJIT offered a broad range of undergraduate and graduate degrees. All programs included significant research and public service components with the goal of providing an academic environment that fostered intellectual depth and breadth, as well as social responsi-

bility.

Today, continuing a fourfold mission of instruction, search, economic development and public service, NJIT is among the leading comprehensive technological universities in the nation. The university has state-of-the-art facilities with than more

2,000,000 square feet of space located on a 45-acre campus in Newark, a Technology and Engineering Center at our campus in Mount Laurel shared with Burlington County College, and a solar observatory in Big Bear, California.

#### NJIT's Six Colleges

While there has been tremendous growth and diversification at NJIT, its roots are in engineering education. For more than eight decades, Newark College of Engineering (NCE) has been preparing engineering students to use science, mathematics, technology and problem-solving skills to design, construct, test and maintain products, services, and information systems.

The New Jersey School of Architecture, established in 1974, is one of the largerst architecture schools in the nation and is nationally recognized for the innovative integration of computer technology into the design curriculum.

The College of Science and Liberal Arts (CSLA), established in 1982, is moving into the forefront of many national research activities from solar physics to computational and mathematical modeling. CSLA provides students with the skill sets for the professional marketplace including literacy in the computer, mathematical, physical and biological sciences, as well as the traditional liberal arts disciplines.

The School of Management, established in 1988, combines the best of the traditional business disciplines (e.g., finance, marketing, accounting, e-commerce) with

> the power of information and technology management to develop professionals who can manage and communicate effectively.

The Albert **Dorman Honors** College, established in 1993. offers one of the nation's leading technologically oriented honors programs for students who are

prepared to undertake a rigorous and individualized course of study.

The College of Computing Sciences, established in 2001, encompasses a department of computer science focused on both the theoretical areas of computing and the development of new computer technology, as well as a department of information systems, concentrated on applications involving people and organizations.

#### NJIT Mission Statement

NJIT is a public, urban, research university, committed to the pursuit of excellence in

 undergraduate, graduate, and continuing professional education, preparing students for productive

#### **About NJIT**

careers and amplifying their potential for lifelong personal and professional growth:

- the conduct of research in such multi-disciplinary areas as environmental engineering, materials science, manufacturing, productivity enhancement, infrastructure systems, communications, technologies, and an array of bio-related sciences and technologies;
- · contributing to the state's economic development through partnerships and joint ventures with the business community and through the development of intellectual property;
- service to both its local communities and the broader society of the state and nation by conducting public policy studies, making educational opportunities widely available, and initiating community-building projects.

NJIT prepares its graduates for positions of leadership as professionals and as citizens, provides educational opportunities for a broadly diverse student body, responds to needs of large and small businesses, state and local governmental agencies, and civic organizations, and advances the uses of technology as a means of improving the quality of life.

#### NJIT - A "MOST-WIRED" UNIVERSITY

Yahoo! Internet Life magazine has perennially ranked NJIT as a "most-wired" university. As such, the university is nationally recognized as a pioneer in the use of computing and information technologies.

As a public research university, NJIT is educating leaders for a technology-driven economy. The university is rethinking educational programs to emphasize marketplace skills, and redesigning its methods of delivering education. Indeed, computing and information technology underpin every facet of the NJIT mission.

NJIT received Carnegie Foundation designation as a Doctoral II university in 1994 and has ranked among the top universities by U.S. News and World Report every year since. NJIT expends more than \$50 million in a panoply of research and development partnerships with industry, government, and other universities. NJIT researchers are making important advances in a wide range of areas, including the biosciences, manufacturing, microelectronics, multimedia, transportation, computer sci-

ence, solar physics, environmental engineering and science, and architecture and building science.

NJIT plays an essential role in the economic and social life of the state and nation. At NJIT, the objective is to provide graduates with the requisite analytic skills as well as an ability to integrate the work of multiple disciplines to manage and lead knowledge-based and technology-dependent businesses.

The mission of a technological university requires that NJIT continue to recognize emerging trends in the economy, the sciences, and technology, and to anticipate their impact on society by developing appropriate educational and research programs.

#### **Newark:** The Renaissance City

NJIT is located in the heart of New Jersey's largest city. A major urban center, Newark is a city on the move. Some 30,000 undergraduate, graduate and professional students attend classes in University Heights at the city's four public institutions of higher learning: NJIT, Rutgers-Newark, the University of Medicine and Dentistry of New Jersey, and Essex County College.

Attractions in Newark's revitalized downtown include:

- The Newark Museum
- New Jersey Performing Arts Center
- The Newark Public Library
- Symphony Hall
- Branch Brook Park
- · Art galleries, restaurants, and shopping
- An urban architectural laboratory
- · Professional minor league baseball (Newark Bears)

#### Newark: New Jersey's College Town

Adjacent to NJIT is the Newark campus of Rutgers University.

NJIT and Rutgers enjoy an exceptionally close

and productive consortial relationship within the thriving University Heights section of Newark. NJIT and Rutgers students have library privileges at both campuses. NJIT students may also enrich their educational experience by enrolling in Rutgers-Newark courses and in full degree programs in disciplines not offered at NJIT, such as art, music, geology and psychology.

Each year the two universities co-sponsor a common season of theatrical productions, as well as "World Week," a joint program of honors colloquia, and a variety of other cultural and social activities.

#### **New Jersey/New York Metropolitan Region**

The NJIT campus is in one of the nation's most exciting cultural and business regions. Advantages include:

- Minutes from New Jersey Performing Arts Center, Liberty Science Center, Meadowlands Sports Complex, Manhattan and all of its attractions, Newport Center Mall, and Secaucus Outlet Center.
- · Discount tickets for Broadway shows, museums, concerts, and sporting events.
- · Weekend trips throughout the Northeastern United States: skiing, boating, swimming, hiking, and much more.
- The spectacular Jersey shore is less than one hour away.

#### **Athletics Facilities**

The NJIT men's and women's basketball teams play their home games at Entwisle Gymnasium, the main facility in the Estelle and "Zoom" Fleisher Athletic Center.

Entwisle, with seating for approximately 1,500 spectators, is also home to the Highlanders' men's and women's volleyball teams. The back bay, "C gym," area can be sectioned off from the main floor, making the entire gymnasium area useful for intramural events, physical education classes, and campus recreation time, and able to host multiple events simultaneously.

The basketball teams also have access to all of the other facilities in the athletic center. These include the fitness area (containing computer controlled biking equipment, Cybex resistance units, and an indoor track), weight room, four racquetball courts (which can be converted for squash), a martial arts center, and an aerobics/dance studio. A six-lane swimming pool is home to NJIT's men's and women's swimming teams, while the two varsity tennis squads host meets and practices at four lighted outdoor hardcourt tennis courts behind the building.

The NJIT baseball and men's and women's soccer teams play and practice at Lubetkin Field, a lighted, natural-grass campus facility immediately adjacent to the Fleisher Center. Lubetkin, which is also used for physical education and intramurals, contains a midfield scoreboard and pressbox facilities, with seating to hold approximately 1,000 spectators.

NJIT also offers several club sports, including bowling, cricket, golf, judo, men's lacrosse and wrestling. The Hazell Student Center houses six regulation bowling lanes.

Physical education offerings include aerobics, archery, bowling, dance, fencing, golf, karate, learn to swim, skiing, strength training

and conditioning, volleyball and water safety.

Top: Fleisher fitness center; center: Entwisle Gymnasium: Right: NJIT weight room.

#### **Athletics Communications**

The NJIT athletics department now offers several ways for media and fans to keep up with the Highlanders:

#### www.njit.edu/athletics

NJIT sports news, results, and schedules are available by logging onto http://www.njit.edu/athletics. The Highlanders' athletic web page is coordinated by NJIT graduate students Ashish Bhardwaj and Pramendra Jain.

The page was redesigned and relaunched in the fall of 2000 by then-graduate student Amit Desai. Bhardwai and Jain now maintain the site under the supervision of Ray Hayling, manager of internet services, and Mark Mentone, coordinator of sports information services.

Currently available are rosters and schedules of all 13 NJIT varsity intercollegiate sports, the latest department press releases and weekly notebooks, biographies of coaches, and the NJIT Alumni Athletic Hall of Fame. Future plans include biographies of selected athletes, record books, and photo albums.

#### (973) 596-5555

New for 2001-02 is the NJIT Sports Hotline, (973) 596-5555. Option 1 will give the user the most recent varsity results. Option 2 provides upcoming events and special announcements. Users will also be able to leave a message for the sports information office.

#### **E-Mail Distribution List**

Anyone can receive the most recent NJIT athletics press releases electronically by joining the department's e-mail distribution list. Membership is free. Created in the winter of 2000-01, the list has been refined so that users can receive all releases or just the ones in which they are most interested.

To begin receiving Highlander news in your inbox, fill out the form on the athletics website or send a message to Mark Mentone at mentone@adm.niit.edu.

#### **Campus Message Board**

Visitors or members of the campus community are encouraged to regularly check the new electronic message board to the right of the gym entrances to the Fleisher Athletic Center.

The board, installed in January 2001, provides department and campus news 24 hours a day on a flashy amber-colored LED display. Those approaching from the campus green area can learn such tidbits as upcoming events, recreational classes, new staff members, and intramural champions, as well as the latest varsity scores and highlights.

# CENTRAL ATLANTIC CACC

#### **COLLEGIATE CONFERENCE**

When NJIT reclassified its athletic programs to NCAA Divison II from Division III in 1997, the Highlanders joined the New York Collegiate Athletic Conference (NYCAC). After three years of NYCAC play, the Highlanders began a new era in the fall of 2000 when they became members of the Central Atlantic Collegiate Conference (CACC).

NJIT is the only school in the 12-member CACC with full NCAA membership. The other member institutions possess provisional NCAA status, as they are in the process of switching affiliation from the National Association of Intercollegiate Athletics (NAIA).

The CACC has allowed the Highlanders to save tremendously on travel time and costs. NJIT is centrally located in the conference, and three other member schools are in New Jersey, creating the opportunity for heated local rivalries.

Due to its NCAA status, NJIT cannot participate in the CACC postseason tournament until 2002-03. The Highlanders are eligible for both the NCAA and ECAC Division-II playoffs on an at-large basis.

2001-02 Preseason Coaches Poll: 1. Caldwell College; 2. Wilmington (Del.) College; 3. Dominican (N.Y.) College; 4. Teikyo Post University; 5. Holy Family College; 6. NJIT; 7t. Felician College; 7t. University of the Sciences in Philadelphia; 9. Bloomfield College; 10. Nyack College; 11. Goldey-Beacom College.

#### 2001 CACC Tournament
