# MEN'S VOLLEYBALL

## MEN'S VOLLEYBALL

**Head Coach:** Danny Goncalves

**Phone/Email:** 973-596-5380/  
danny.goncalves@njit.edu

**Career Record:** 20-43 (2)

**Record at NJIT:** 11-13 (1)

**Assistant Coach:** Brennon Dyer

**GraduateAssistant Coaches:**

Chris Kaepernick, Zak Robben

**2015 record:** 24-23-1

**Captains:** Luke Robben, Jabarry Goodridge,  
TJ Jurko

## QUICK FACTS

**Location:** University Heights, Newark, NJ

**Founded:** 1881

**Enrollment:** 10,646 (total); 7,550 (undergraduate)

**NJIT website:** www.njit.edu

**Nickname/Colors:** Highlanders/  
Red and White (Blue accent)

**Home Court (capacity):**

Estelle and Zoom Fleisher Athletic Center  
(1,500)

**Affiliations:** NCAA Division 1, ECAC, Eastern  
Intercollegiate Volleyball Association (EIVA)

**University President:** Dr. Joel Bloom, EdD

**Director of Athletics:** Lenny Kaplan

**Athletic Department Phone:** 973-596-3636

## WHY HIGHLANDERS ?

The home of NJIT, University Heights, was formerly known as the Newark Highlands and NJIT's mailing address used to be High Street, until the thoroughfare was renamed in memory of Dr. Martin Luther King, Jr.

In 2006-07, NJIT athletics, in keeping with its move to NCAA Division I, unveiled a new graphic identity, which included a new Highlanders logo. Developed by CN Foundry for NJIT, the logo depicts the traditional Highlander, whose ferocity and bravery against all odds are the stuff of legend.

## MEDIA RELATIONS

## MEDIA INFORMATION

This guide is designed to assist in coverage of NJIT men's volleyball. For home matches, the NJIT sports information office will provide an official box score following each game. Coach Danny Goncalves and requested players will be available for interviews on the court following a 10-minute cooling off period. Radio broadcast requests should be made at least 10 business days prior to the contest. Requests for coach and player interviews on nongame days should be made through the NJIT sports information office (973-596-8461).

## CREDITS

The 2016 NJIT Men's Volleyball Media Guide is a production of the NJIT Sports Information Office in cooperation with the Office of Strategic Communications. Written and edited by Tim Camp and Stephanie Pillari. Cover and interior design by Karyn Olsen. NJIT photographs and information courtesy of Office of Strategic Communications. All interior team and action photography by Larry Levanti. Red Bull Arena photo (p. 25) courtesy of Getty Images/RBNY.

**NJIT is New Jersey's Science & Technology University. With roots going back to 1881, when it was founded as Newark Technical School, New Jersey Institute of Technology observed its 125th anniversary in 2006.**

**Located in University Heights, Newark, NJ, home to more than 30,000 college students, NJIT's campus is just 10 miles from New York City.**

Playing a critical role in shaping New Jersey's future, NJIT, as a major public technological university, is an important pipeline for the flow of technology into society. The university's educational programs prepare students to be leaders in the technology-dependent economy of the 21st century. University researchers seek new knowledge to improve processes and products for industry. Through public and private partnerships and economic development efforts, the university helps to grow new business ventures that fuel the economy.

In recent years, NJIT has put tens of millions of dollars toward new and improved buildings and facilities on the 48-acre campus, including biomedical engineering labs and a campus center.

## **INSTRUCTIONAL PROGRAMS**

NJIT offers an ever-expanding array of educational programs, with many new programs added in the last five years and more to come. In 2014 NJIT lists 125 undergraduate and graduate degree programs through six schools:

- Newark College of Engineering
- College of Architecture and Design
- College of Science and Liberal Arts
- School of Management
- Albert Dorman Honors College
- College of Computing Sciences

NJIT has 277 tenured or tenure track faculty; 99 percent of whom hold doctoral degrees or the highest degree attainable in their field. The student-faculty ratio is 16:1, with over 7,000 undergraduate students and nearly 3,000 graduate students. Our students hail from 33 states and more than 100 countries to rank eighth in the nation for diversity.

Albert Dorman Honors College enrolls more than 500 students who take advantage of honors courses, research opportunities, advising and mentoring. Honors College students have SAT scores ranking in the top 10 percent nationally.

With nearly 50,000 alumni, NJIT is an acclaimed institution.

- BuzzFeed.com ranked NJIT as the #1 higher education value nationally when considering annual tuition cost and average starting salary of graduates.
- Top one percent for return on investment and eighth in alumni earning potential among public universities nationwide – PayScale.com
- Top 10 percent nationally for return on investment and one of four best buys in New Jersey higher education –Bloomberg Businessweek
- Third in nation among America’s Most Underrated Colleges – BusinessInsider.com
- Top National University – U.S. News and World Report
- 149th among national universities overall for its range of undergraduate majors and master’s and doctoral degree programs and commitment to groundbreaking research - U.S. News and World Report
- An “America’s Top College” – Forbes.com
- A Princeton Review Best College
- Top 200 American research universities –The Center for Measuring University Performance at Arizona State
- Top 50 among colleges without a medical school for research expenditures and top 10 among universities whose main research is in engineering – National Science Foundation
- Top 10 among technological universities in faculty scholarly productivity – Academic Analytics
- Top 100 producers of minority degrees, including fifth in the nation for bachelor’s degrees in engineering technologies to all minority students – Diverse: Issues in Higher Education

## RESEARCH

NJIT's research expenditures totaled more than \$110 million in FY2014 and faculty members welcome student collaboration on research projects.

As of September 1, 2014, NJIT had 185 issued U.S. Patents and 133 pending U.S. patent applications.

## ECONOMIC DEVELOPMENT

NJIT is committed to economic development for Newark and the region. The university operates several outreach centers that provide direct technical assistance to the state's businesses with the goal of helping small and medium-sized companies. NJIT is also the home of New Jersey's oldest and largest incubator facility, and was one of the first institutions in the nation to adopt economic development as a fourth mission element, together with instruction, research and community service.

The Enterprise Development Center (EDC) at NJIT is New Jersey's largest high technology and life science business incubator, and one of the largest in the nation. EDC resident companies have attracted more than \$80 million in third-party funding since entering the incubator, and generated revenues of \$50 million last year. The approximately 90 member companies employ roughly 500 people.

## THE CAREER EDGE

- NJIT was named in the top 1 percent for return on investment and 8th in alumni earning potential among public universities nationwide by *Payscale.com*.
- Students get a head start on their careers through cooperative education, salaried internships that relate specifically to their field of study.
- The 10 fastest-growing occupations for college graduates include NJIT's newest program areas—physician assistant and physical therapy—as well as computer-related occupations.
- Among the CEOs of the S&P 500 companies, engineering is the single most common undergraduate degree (22 percent of the group). More than half of the CEOs have undergraduate degrees in engineering, business management, science, math, or computing.

## THE GLOBAL EDGE

The diversity in NJIT's student body and faculty prepares graduates to understand and succeed in the global marketplace.

## THE TECHNOLOGY EDGE

NJIT has been designated one of the nation's most technologically sophisticated universities by *Forbes.com* and a *Princeton Review* survey and the university has received major funding from the National Science Foundation and the National Security Agency in recent years.

## THE ACADEMIC EDGE

- NJIT named a Most Wired College by *Princeton Review*.
- NJIT was the first recipient of the Excellence in Technology Education Award presented by New Jersey Technology Council (NJTC), which annually recognizes outstanding technology companies and individuals who contribute to “growth, achievement, and excellence in diverse technology sectors of New Jersey.”
- *Forbes.com* and a *Princeton Review* survey designated NJIT as one of the nation’s most technologically sophisticated universities based on factors such as the ratio of computers to students, campus-wide and wireless networks, and technology-enhanced learning.
- NJIT has received major National Science Foundation (NSF) funding to define the next generation of computing applications. Most notable is the creation of *SmartCampus*, a wireless peer-to-peer, location-aware community system that immerses students in a world of wearable computers.
- NJIT has been designated a Center of Academic Excellence in Information Assurance (Homeland Security) Education by the **National Security Agency**.
- NJIT partners with Iowa State University in the Center for Information Protection (Homeland Security), an NSF-supported cooperative research center in information assurance.

## THE REGIONAL EDGE

New Jersey, with America's highest concentration of pharmaceutical, hi-tech, biotech, and medical device companies is the place to study technology. It has the nation's highest per capita number of engineers and scientists as residents, while also leading in per capita rate of patents issued. Further, the Newark-New York region is a living laboratory for architecture and building sciences, environmental engineering and transportation. .

## THE RESEARCH EDGE

NJIT has been designated by the State of New Jersey as the Homeland Security Technology Systems Center and NJIT operates the world-renowned Big Bear Solar Observatory.

## A HISTORY OF NJIT

From the Industrial Revolution to the Information Age, New Jersey Institute of Technology has a rich history with its beginnings developing from the industrial age.

In 1881, an act of the New Jersey State Legislature, recognizing an urgent need, sought a home for what would be the state's technical school. The efforts of Newark's public and private sectors resulted with the opening of Newark Technical School, addressing the state's need.

Over time, the university expanded its curriculum and mission. In 1919, the university established baccalaureate programs in three engineering fields. By the middle of the 20th century, Newark Technical School was transformed into the robust Newark College of Engineering.

The post-war period was one of enormous activity with regular expansion of the campus, as well as the introduction of doctoral level programs. In 1975, with the addition of the New Jersey School of Architecture, the institution had evolved into a technological university, emphasizing a broad range of degrees and dedication to significant research and public service. Newark College of Engineering, stronger than ever, remained intact, but a new university name -- New Jersey Institute of Technology -- reflected the institution's expanded mission.

A broadened mission called for the creation of a residential campus and the opening of NJIT's first dormitory in 1980 began a period of steady growth that continues. Two new schools were established during the 1980s--the College of Science and Liberal Arts (1982) and the School of Industrial Management (1988). The Albert Dorman Honors College was established in 1994, and the College of Computing Sciences, was created in 2001. Beginning in 2009 the College of Architecture and Design was created to house the New Jersey School of Architecture and the new school of Art and Design.

## **DR. JOEL BLOOM**

**President, New Jersey Institute of Technology**

Appointed President of New Jersey Institute of Technology on January 12, 2012 by unanimous vote of NJIT's Board of Trustees, Joel S. Bloom started his career in industry working as an economist.

He subsequently became an educator and administrator for the New York City public schools. Prior to coming to New Jersey, he worked as a research director and instructor at Teachers College, Columbia University.

In New Jersey, he managed state and federally-funded curriculum development and training centers for the state. From 1983 through 1990, Dr. Bloom served as assistant commissioner in the NJ Department of Education for the Division of General Academic Education. He was responsible for managing many of the education department's initiatives including competency testing, curriculum content standards, pre-school

programs, establishment of 17 model effective schools, over 300 grants and contracts, and a \$24 million budget.

Immediately prior to his appointment as President, he served as Interim President from September 2011 until January 2012. Prior to that, he was NJIT's Vice President for Academic and Student Services, as well as founding dean of the Albert Dorman Honors College.

Indeed, since joining NJIT in July 1990, Dr. Bloom has served the university in many capacities.

Promoted in 1996 to Vice President for Academic and Student Services, he was responsible for nine divisions of the university, including pre-college programs, enrollment management, continuing professional education, career development services, dean of student services, freshman studies, educational opportunity programs, library services, physical education and athletics.

Dr. Bloom was appointed as the first dean of the Albert Dorman Honors College in 1998, in addition to his vice president responsibilities. The Honors College enrolls over 650 students who come from 15 states

and several foreign countries. The average SAT score is over 1340 and the majority of the incoming freshman class members graduated in the top 15 percent of their high school class. More than 50 percent of the Honors College students maintain a grade-point average higher than 3.5.

Dr. Bloom is chair of the Science Park Board, treasurer of the NJ President's Council, and treasurer of the NJEDge.Net Board. In addition, he serves as a member of the following boards: the Board for Communities and Schools, Newark Alliance, Philadelphia Alliance for Minority Participation, La Casa de Don Pedro, and the Association of Public and Land-grant Universities Presidents Council. Dr. Bloom has been the recipient of national and state education awards, as well as federal, foundation and corporate grant awards. He has published journal articles and presented papers on school improvement, curriculum development, college transition and student assessment.

Dr. Bloom holds a master's degree and a doctorate from Teachers College, Columbia University. He also earned master's and bachelor's degrees from Hunter College of the City University, New York City.

## CHARLES J. FEY

### Vice President for Academic and Student Services

oversees numerous offices and departments at NJIT, including including Intercollegiate Athletics, Recreation and Intramurals, Physical Education.

Fey actively participates in student affairs business on a national level and holds or has held board positions in ACPA, NASPA, and APLU. He was the founding president of the Massachusetts College Personnel Association and was president of the Texas Association of College and University Personnel Association. Fey has received numerous awards including the Esther Lloyd Jones Professional Service Award from ACPA; is a Diamond Honoree of ACPA's Foundation; twice received the Outstanding Service award from the Commission on Administrative Leadership of ACPA; and an exemplary service award from MCPA.

Fey earned his bachelor's degree in liberal arts and his masters of education degree in counselor education, college student personnel services, both from The Pennsylvania State University. He holds a doctorate in higher education administration from Texas A&M University.

Prior to NJIT, he was the Vice President for Student Affairs at The University of Akron; was Vice President for Student Affairs at University of Maryland, Baltimore County (UMBC); Dean of Students at the University of Texas at El Paso; served as Vice President and Dean of Student Life at Our Lady of the Lake University in San Antonio; Dean of Students at St. Mary's University, also in San Antonio; Associate Dean of Student Affairs at Keene (NH) State College; Director of Housing/Resident Life at Catholic University of America; and in numerous student affairs and other administrative posts at Newbury Junior College in Boston.

Married to Melba Ann Fey since 1985, Charlie and Melba have two daughters, Kelly Prestel, living in Boston, and Chelsea Fey, living in Arlington, VA and two sons, Lloyd Lopez and Matt Lopez, who live in San Antonio.

Dr. Fey joined NJIT in September 2012 with 39 years of leadership experience in student services as Vice President of Academic Support and Student Affairs.

At NJIT, he continues his commitment to creating a campus climate that promotes student achievement and student success. His personal philosophy of student engagement extends to the development of innovative programs that inspire challenging and engaging student experiences and encourage each student to reach for his/her dream and work until it is achieved.

Dr. Fey's strong record of accomplishments demonstrates his deep understanding of emerging issues and trends that affect metropolitan campuses and the students who attend them. In addition to his direct involvement with students, Fey

## LENNY KAPLAN

### Assistant Vice President/Director of Athletics

Since taking over as head of New Jersey Institute of Technology's division of physical education and athletics in August 2000, Lenny Kaplan has been instrumental in guiding the program's growth, first at the NCAA Division II level and, since late 2002, the successful reclassification to NCAA Division I.

The 2014-15 academic year saw momentous accomplishments and change for Highlander athletics.

In competition, two NJIT teams, men's soccer and men's basketball, scored victories over nationally-ranked opponents. Men's soccer defeated #22 Navy in late September 2014 and men's basketball became a national story when it upset #17/#16 Michigan in Ann Arbor on December 6. Later, the men's basketball team won its first three games in the national Collegen Insider.com postseason tournament, advancing to the semifinals.

Off the court, NJIT announced plans to build a new Wellness and Events Center, a \$100 million on-campus facility with an opening targeted for 2017. And finally, the Highlanders, who had been the only Division I

Independent in the nation, accepted an opportunity to become the eighth full member of the multisport Atlantic Sun Conference, effective July 1, 2015.

Along the way, Kaplan was promoted in 2014-15 to his new title of Assistant Vice President/Director of Athletics.

He has been a member of the Division I-AAA Athletics Directors Association (DI-AAA ADA) Executive Committee since 2012-13. The Division I-AAA Athletics Directors Association's mission is to enhance initiatives common to its Division I-AAA membership (the Division I institutions that do not sponsor football).

In September 2015, Lenny Kaplan was lauded at the annual Eastern College Athletic Conference (ECAC) Honors Luncheon. In a program that recognized student-athletes, administrators, institutions and officials, he was one of two named Division I Male Administrator of the Year.

Going back more than a decade to his arrival at NJIT, Kaplan helped stabilize and expand a program that was entering its fourth year in Division II. In late 2002, after discussions with then-university President Dr. Robert A. Altenkirch and Vice President (now President) Dr. Joel Bloom, Kaplan took on the task of steering NJIT's programs into Division I, an arduous process that reached fruition with the NCAA's granting active Division I status, with full championship eligibility effective September 1, 2009.

Throughout Kaplan's tenure, NJIT has enhanced the athletics program, particularly in areas that benefit the

student-athletes directly. A hallmark in achieving that aim was the Highlanders Athletics Campaign, which announced in the summer of 2009 that it had raised \$5.4 million, exceeding its original goal. In the \$5 million goal, \$3 million was for facilities, \$1.5 million for athletic scholarships, and \$500,000 for program support.

The sports offerings have expanded to the current 19 varsity programs. And since 2004, NJIT has renovated its two main on-campus venues—Lubetkin Field at Mal Simon Stadium at Lubetkin Field and the Estelle and Zoom Fleisher Athletic Center. Further, the Naimoli Family Recreation Center, a 25,600-square foot facility opened early in 2011 enhanced the recreational and intercollegiate opportunities on campus. The Naimoli Center is the home of both NJIT tennis teams.

The school also signed a 10-year partnership to play all home baseball in the professional Bears and Eagles Riverfront Stadium and later agreed to host select basketball home games in the Prudential Center, downtown Newark home of the NHL's New Jersey Devils. The NJIT club hockey team also plays all of its home contests in the AmeriHealth Pavilion, part of the Prudential Center that serves as the Devils practice rink.

Under Kaplan's leadership, many teams achieved regional and national Division II ranking. Success for several women's teams was unprecedented, with basketball, tennis and soccer all reaching postseason play for the first time in their existence under his administration.

Additionally, men's volleyball captured a divisional championship in the Eastern Intercollegiate Volleyball Association and the next year reached the EIVA playoff semifinals hosted by eventual 2008 national champion Penn State.

In 2009-10, NJIT's first year as a full active member of Division I, the women's volleyball team and senior Sabrina Baby became the school's first Division I national statistical champions, as team and individual leaders, respectively, digs per set. Baby was honored as the school's first CoSIDA Academic All-America in the Division I era, earning third-team national honors.

Christian Baumbach made history in 2009 as NJIT's first individual DI conference champion, when he won the Great West Conference men's cross country race. He also won the prestigious IC4A University Division race in the 101st annual running of that contest.

In 2010-11, the Highlanders earned their first-ever Division I conference team championship when women's tennis captured the Great West title, a feat they repeated the following year. In 2012-13, both basketball teams won Great West Conference crowns. Individually, men's basketball players Isaiah Wilkerson (2011-12), Chris Flores (2012-13), and Damon Lynn (2014-15) have all been Associated Press All-America honorable mention recipients,

Marko Drljic became the first NJIT men's soccer player to be selected to the All-Region season honors from the NSCAA at

the highest level, earning the honor in both 2013 and 2014. Cristian Marcel won similar honors in 2014. The duo were Sun Belt Conference Offensive Player of the Year (Marcel) and Defensive Player of Year (Drljic) in 2014, as well.

Men's tennis player Markus Schultz has achieved regional ranking in both 2013-14 and 2014-15.

John Porteous became the first NJIT track and field athlete to qualify to the 2014 NCAA Track and Field Regional, earning a spot in the men's 400-meter hurdles.

Julia Garcia, a freshman, was second in the epee at the 2015 NCAA Championships, becoming the school's first women's fencing All-America.

NJIT's growing success in Division I competition has been gone along with a continued commitment to excellence in the university's rigorous academic environment. The combined grade point average of Highlander student-athletes has been above 3.0 for 12 straight semesters through Spring 2015.

Before coming to NJIT, Lenny Kaplan served 11 years at Manhattan College, where he began as Manhattan's director of operations and was assistant athletics director from 1991-2000.

Kaplan, a 1988 graduate of St. John's University with a degree in athletics administration, resides in Merrick, NY, with his wife, Nancy. They are the parents of two sons, Michael, a student at Lafayette College, and Joshua, who is in high school.

## SPORTS MEDICINE

NJIT sports medicine is moving forward with the growth of the Highlanders program. Head trainer Matt Koscs, MS/ATC, oversees the program, ably assisted by assistant trainers Paul Grayner, MEd/ATC; Melissa Maskery, MS, ATC; Brittany Vondran, MS/ATC; and, Kyle Tuohy, BS/ATC.

### **Matt Koscs, ATC, Head Athletic Trainer**

Matt Koscs, who earned both his bachelor's and master's degrees from University of Delaware, has

served NJIT as head trainer since July 2009, a year after he joined the staff as an assistant trainer.

As an undergraduate at Delaware, he was recipient of the Paris Delligatti Memorial Award for Excellence in Athletic Training. He

earned his MS in Exercise Science from Delaware in 2008.

Prior to his arrival at NJIT, Matt served three years as the head athletic trainer at Hodgson Vocational Technical High School in Newark, DE, from 2005 to 2008.

In addition to his work at the high school level, he was head athletic trainer for the Delaware Dynasty semi-pro soccer team in Wilmington, as well as with the Kirkwood Soccer Club in New Castle in 2005 and 2006.

He was employed from 2005 to 2008 at Christiana Care Physical Therapy Plus, in Newark, DE, where he was an athletic trainer and was the Director of Athletic Training Services in a clinical setting.

He is a NATABOC certified athletic trainer, as well as holding additional certifications as a professional rescuer and in first aid.

He resides in Metuchen, NJ with his wife Kristin and daughters Eloise, Claire and Madeleine.

### **Paul Grayner, ATC, Assistant Athletic Trainer**

Paul Grayner, who joined the NJIT staff as an assistant athletic trainer late in the 2008 calendar year, has a diverse

background in athletic training, having served at the college and professional levels, as well as in a fitness center setting.

A graduate of Saint Leo College in Florida and holder of a master's

degree from American University in Washington, DC, Grayner has served as both a head and assistant trainer in the past.

From the mid-1970s to the mid-1980s, he was a trainer in the minor league systems of the New York Yankees and New York Mets from 1977 to 1985 and in 1984 he was assistant trainer with the Mets. He later worked with the Long Island Knights professional basketball team.

At the collegiate level, he was head trainer at Division I Fairleigh Dickinson University in Teaneck, NJ from 1989 to 1998 and he earlier worked as an assistant trainer at Hofstra (1982-85) and Adelphi (1985) on Long Island before joining FDU as an assistant (1986-89).

In addition to his work in athletic training, Grayner is a financial services representative and a life insurance sales representative.

He resides in Dumont, NJ.

**Melissa Mackey, ATC, Assistant Athletic Trainer**

Melissa Mackey, who joined the NJIT staff as an assistant athletic trainer in the summer of 2013, earned her bachelor's

degree, majoring in athletic training and minoring in strength and conditioning, from the University of Delaware in 2011.

She earned her master's in athletic training at Temple University in May 2013.

As a graduate assistant, she worked in Philadelphia with several Division I teams at Drexel University and as an undergraduate, on the medical staff for Delaware's 2010 Division I Football Championship Series (formerly known as Division I-AA) national runner-up.

She has worked as a trainer at numerous summer camps and before coming to NJIT, she earned the 2013 Merit Award for Research in the College of Health Sciences & Social Work and was the recipient of Drexel University Dragon Award for Leadership.

She is married to Mark Mackey.

**Kyle Tuohy, ATC, Assistant Athletic Trainer**

Kyle Tuohy, a 2014 summa cum laude graduate of East Stroudsburg (PA) University, joined the NJIT

athletic training staff in September 2014.

Tuohy, who will attend graduate school while working at NJIT, won

multiple awards from his alma mater, including the David Carylton Athletic Training Outstanding Student Award in May 2014.

He had varied clinical internship experience starting in the Fall Semester 2012 and continuing through his senior year.

His internships included stints with the East Stroudsburg women's basketball team; Parkland High School and Pen Argyl High School,

both in Pennsylvania; the Tennessee Smokies professional baseball team, Class AA minor league affiliate of the Chicago Cubs; and Lafayette College in Easton, PA, where he worked closely with the Leopards football team in season and also worked with athletes from all in-season sports in the Fall Semester.

He holds several profession-related certifications, including from the National Athletic Trainers Association.

**Lauren Kravitz, ATC, Assistant Athletic Trainer**

Lauren Kravitz, who joined the NJIT staff as an assistant athletic trainer in the fall of 2015, earned her bachelor's degree,

majoring in athletic training from William Paterson University in 2013.

She is pursuing her master's in exercise science with a concentration in exercise physiology at Kean University with an

anticipated graduation in December 2015.

As a graduate assistant at Kean University, she was the primary contact for NCAA Division III men's and women's basketball, field hockey and men's and women's lacrosse.

Prior to graduation at William Paterson, she worked as an athletic training student, providing treatment for NCAA Division III football, softball, men's basketball and men's and women's soccer.

She has worked as an Occupational Therapist Aide at Optimum Orthopedics in Montclair, NJ, as well as an Aide at Push to Walk, a non-profit organization in Riverdale, NJ, that provides individualized workouts and resources to people with spinal cord injuries and other neurological conditions.

Her volunteer experience includes: National Special Olympics, Special Olympics of New Jersey Summer Games and Special Olympics of New Jersey Fall Games.

# Administration

## Louis Rizio, MD, Team Physician

Dr. Rizio is a board certified orthopedic surgeon and is fellowship trained in the field of sports medicine. He is a graduate of Rutgers and after earning his medical degree from the UMDNJ/New Jersey Medical School (recently reorganized and renamed Rutgers Biomedical and

Health Sciences), Dr. Rizio completed his orthopaedic residency at Tufts University in Boston.

He then completed a sports medicine fellowship at the University of Miami. During his fellowship, he was assistant team physician of the Miami Dolphins, University of Miami Hurricanes, and the Florida Marlins.

Dr. Rizio, who specializes in sports-related injuries, practices at the Sports Medicine and Orthopaedic

Center in Livingston, NJ. Prior to starting his own practice, Dr Rizio was the Chief of Sports Medicine at the NJ Medical School from 2000-2005. He currently is a professional, college, and high school team physician.

In 2013, Dr. Rizio was honored by the magazine New Jersey Monthly on its "Jersey Choice Top Doctors" list.

## STRENGTH AND CONDITIONING

There are many ways to make a team better and a vital path to improvement comes with the mantra "bigger, stronger, faster".

It's how teams get better from within by maximizing individual and team performance in competition. The Strength and Conditioning staff also works closely with the Athletic Training Staff in the areas of injury prevention and rehabilitation.

In the summer and fall of 2014, NJIT's Strength and Conditioning took new direction with the appointment of Bobby Fisk as Head Strength and Conditioning Coach and Drew Culp as Fisk's Assistant Coach.

## Bobby Fisk, Head Strength & Conditioning Coach

Bobby Fisk, who was a basketball player in his own college days and coached the sport after college, comes to NJIT from Xavier University in Cincinnati, where he was assistant coach of strength and conditioning for the entire Musketeers' program, which

competes in the Big East Conference. Fisk, a native of Schenectady, NY, spent over two years at Hobart and William Smith Colleges in Geneva, NY, where, as head strength and conditioning coach, he worked with successful teams, including women's soccer (William Smith College), which won the 2013 NCAA Division III National Championship; football (Hobart), which advanced to the 2012 Division III national quarterfinals and the regional finals in 2011 and 2013; and basketball, where Hobart reached the second round of the 2012 NCAA Tournament. Moving to the Division I level with Xavier in 2013-14, Fisk worked with all 16 of the school's teams, with a primary assignment to women's basketball, men's and women's soccer, baseball, and men's and women's tennis. He is a graduate of the State University of New York College at

Oneonta (BS, Business Economics, 2008), Averett University of Danville, VA (MBA, 2010), and California University of Pennsylvania (MS in Exercise Science, Performance Enhancement & Injury Prevention, 2013).

As a student-athlete, Fisk was a men's basketball player at NCAA Division I UMBC in Baltimore for three years before transferring to Oneonta, where he was on the team for two years, serving as captain as a senior and earning All-State

University of New York Athletic Conference honorable mention.

As a senior for Oneonta's Red Dragons, he finished 16th in the nation in Division III in 3-point shooting percentage (.441) and 22nd in 3-pointers made per game (3.2) as a senior at Oneonta.

After graduation from Oneonta, he entered coaching while pursuing his master's degree at Averett, serving that program as assistant men's basketball coach (two years) and head strength and conditioning

coach (one year).

Having received his master's degree from Averett in December 2010, he returned home to the Schenectady area and worked April 2011 to July 2011 as assistant strength and conditioning coach at nearby Siena College and with the minor professional basketball Albany Legends (head strength and conditioning coach).

Fisk holds multiple certifications and professional memberships.

#### **Drew Culp, Assistant Strength & Conditioning**

NJIT's head strength and conditioning coach Bobby Fisk named Drew Culp to be his assistant coach in

September 2014.

Culp, who earned his bachelor's degree from Penn State University in 2010 and his master's degree from Penn State in 2012, most recently served as a volunteer assistant strength and conditioning coach at

nearby Seton Hall prior to accepting his position with NJIT.

At Seton Hall, Culp worked with the school's Big East Conference men's and women's basketball teams, as well as with the men's soccer team.

Between college and coming to New Jersey, Culp worked at Velocity Sports Performance in Irvine, CA. He was a Sports Performance Coach and Assistant Sports Performance Director. Specifically, he was the Head Strength and Conditioning Coach for the El Toro High School football team and also assisted in

training National Football League combine athletes. He also offered private training to athletes in a range of sports and age levels.

Drew Culp was a graduate assistant strength and conditioning coach at Penn State, working with the Nittany Lions football team for over a year through preseason 2012 and working with 11 Olympic Sports teams in his final semester.

He holds multiple certifications, including both strength and conditioning and first aid and CPR.

## ACADEMIC ENRICHMENT

### Sandra Taylor, Director of The Learning Center

Sandra Taylor was appointed as Director of The Learning Center in late September

2014 after serving as Interim Director for the previous 16 months.

She joined NJIT in January 2010 as Academic Advisor for Student-Athletes working in NJIT's Center for Academic and Personal Enrichment (CAPE), which has since been renamed as The Learning Center.

She mentored student-athletes in the areas of academic support, personal development, leadership, and community service. She was instrumental in bringing the Chi Alpha Sigma Honor Society for student-athletes to campus and has been individually certified from the N4A (National Association of Academic Advisors for Athletics) as an academic advisor for student-athletes.

In May 2013, she was elevated to Interim Director of CAPE and presided over its transition to the Learning Center in August of 2014. The Learning Center provides academic support to all students, mentoring and workshops, tutoring in areas outside of math and writing,

and testing accommodations for students with disabilities. She has served on NJIT's Strategic Planning, Academic Advising, Retention and Persistence, Customer Service, Student Satisfaction, and Athletic Oversight Committees.

Prior to joining NJIT, Taylor spent 17 years as a key member of the Manhattan College Department of Athletics. She earned both her bachelor's degree in secondary education and her master's degree in special education from Manhattan College and is working on her doctorate in educational leadership at St. Mary's University in Winona, MN.

Working in the athletics department at Manhattan, a founding member of the Metro Atlantic Athletic Conference, Taylor was Associate Director of Athletics and Senior Woman Administrator, having filled those posts from 1996 until joining NJIT in 2010,

For much of her time on the Manhattan staff (1995 to 2003), she was Chief Athletic Department Compliance Officer, with responsibility for Manhattan's adherence to NCAA Division I, MAAC and college regulations. She began her service at Manhattan as

Athletic Department Ticket Manager, serving in that capacity from 1993 to 2003.

In her time at Manhattan, she served on numerous NCAA, conference and internal college committees, including service on the NCAA Division I Management Council from 2004 to 2007 and as chair of the NCAA Women's Lacrosse Committee from 2002 to 2006.

At the conference level, she chaired the MAAC Women's Basketball Committee from 1997 to 2009 and also served on four other sport committees, as well as on the MAAC Committee on Athletic Administration, with service as vice-chair in 2008-09.

Internally at Manhattan, her assignments included service on the Middle States Review in 2000 and on the NCAA Certification Committee.

Sandra and her husband, Ken, who is Associate Athletics Director/Development and Marketing at Monmouth University after many years as Associate Commissioner at the MAAC, reside in Monroe Township, NJ, with their daughters, Katherine, who was born in May 2004, and Samantha, who was born in July 2009.

**Mike Spisto, Eligibility Certification Officer/Academic Advisor for Athletics**

Mike Spisto moved to administration as NJIT's Eligibility Certification Office/Academic

Adviser for Athletics in the Spring of 2013, working in the Center for Academic and Personal Enrichment (CAPE), now named The Learning Center.

For the previous five years, he was the top assistant coach on the men's basketball staff, working with head coach Jim Engles in an association that culminated with the Highlanders capturing the 2013 regular season championship of the Great West Conference.

In addition to 14 years college coaching—five at NJIT—he served as Director of Athletics at the State University of New York at Delhi in the

two years before he joined Engles' coaching staff with the Highlanders.

He had two stints as head coach at SUNY at Delhi sandwiched around three years as a Division I assistant with Rider and Albany (NY). He began his coaching career with two years an assistant at his alma mater, Division III SUNY Oneonta.

At Delhi, which is also an alma mater, he was head coach from 1999 to 2001, left to become a Division I assistant and then returned for another two-year stint as head coach from 2004 to 2006 before becoming AD at Delhi.

His head coaching record in four years at SUNY Delhi was 86-31 and both stints included championships and coaching awards. His first Division I coaching assignment came at Rider University in 2001-02, where he worked alongside Jim Engles as an assistant when Rider captured its first-ever Metro Atlantic

Athletic Conference regular season championship.

Heading to the University at Albany (NY), he helped recruit the team that would win back-to-back America East Conference championships.

Spisto's coaching career began at Oneonta State following his 1997 graduation. In addition to his bachelor's degree from Oneonta, he earned an associate's degree from SUNY Delhi, as well as an MSS from United States Sports Academy.

He played at both Delhi and Oneonta and was all-region twice at Delhi, where he is the career assists leader. At Oneonta he was captain as a senior after winning an ECAC title his junior year.

Mike and his wife, Katie-Lynn, reside in Staten Island, NY, with their young children: sons Michael (10) and Christopher (7), and daughter Alyssa (3).

**Brittany Vorndran, Academic Advisor for Student-Athletes**

Brittany Vorndran, who joined the NJIT staff as an assistant athletic trainer in the summer of 2012, earned

her bachelor's degree, majoring in athletic training, from Bridgewater (MA) State University in 2010 and was the school's 2008-09 Athletic Training Student of the Year.

She earned her master's in Kinesiology at James Madison University in Harrisonburg, VA, in May 2012.

At James Madison, she worked with the cross country, track and field, tennis and cheerleading teams.

A resident of Millville, NJ, she has worked as a substitute teacher for the Millville Board of Education.

# Administration

## SENIOR ADMINISTRATION

Lenny Kaplan	Assistant Vice President/Director of Athletics
Andrew Schwartz	Senior Associate Athletic Director
Stephanie Pillari	Acting Senior Woman Administrator
Jayson Smikle	Assistant Athletic Director for Compliance

Brennon Dyer	Assistant Coach

### WOMEN'S VOLLEYBALL

Pete Volkert	Head Coach
Ariel Scott	Assistant Coach
Anthony Valbrun	Assistant Coach
Marc Solondz	Volunteer Coach

**Beginning on September 1, 2009, the entire NJIT athletics program officially gained across-the-board active membership in NCAA Division I, completing a process that began officially in 2003.**

**NJIT, its teams and student-athletes enjoy the full benefits of Division I membership, including eligibility for Division I postseason championship competition and the inclusion of the Highlanders among the national Division I leaders in statistics maintained by the NCAA.**

*Kevin Myren*

Within months of NJIT's active Division I membership, the school won its first national Division I statistical championships, as women's volleyball player Sabrina Baby led the nation in digs per set and her teammates captured the team crown for digs, as well.

The NCAA's decision to make NJIT a full member of Division I completed a specific timetable that required NJIT and its Department of Athletics to meet a series of annual

benchmarks before proceeding to the next step in the process.

NJIT, which competed in NCAA Division II beginning in 1997-98 and in NCAA Division III for more than two decades before that, made its first formal move toward Division I reclassification with men's soccer paving the way in 2003. That move grew out of November 2002 meetings among then-President Robert A. Altenkirch, then Vice President Joel Bloom (who would

later succeed Altenkirch as NJIT's President) and Director of Athletics Lenny Kaplan. From there came a proposal for Dr. Altenkirch to the Board of Trustees, which unanimously approved in February 2003 a plan to reclassify men's soccer to Division I. Little more than two years later, the NCAA approved NJIT's proposal to begin advancing its entire program to Division I.

Men's soccer achieved active Division I status in 2005 and NJIT women's soccer became postseason-eligible in 2007. The remaining programs also began reclassifying in 2005, with active status taking longer for an entire athletics program than under the single-sport- per-gender track used for the two soccer programs.

In 2005-06 the lion's share of the competition for all but the men's soccer program came at the Division II level. In 2006-07, 2007-08, and 2008-09, NJIT's teams competed at the Division I level and fully complied with NCAA Division I

rules, but were not eligible for championships at the top level.

Every facet of the program has been enhanced in the move to Division I with a special emphasis placed on student-athlete welfare. Facility upgrades have gone along with support staff expansion. NJIT has built a model NCAA Division I rules compliance

*Luke Robbe*

regimen within its athletics program and across the entire university.

Further, the Board of Trustees embraced the transition to Division I as part of the University's strategic plan to enhance the quality of campus life for all students.

NJIT's teams compete throughout the United States, taking on opponents from schools that are instantly recognizable for their stature in academics and athletics.

NJIT student-athletes have faced opponents every Ivy League institution, as well as the Patriot League, including Army and Navy, Buckell, Lafayette, and Lehigh.

The Highlanders have also competed against teams from every Division I conference with teams either in the Northeast or Mid-Atlantic States, including the America East, American Athletic, Atlantic 10, Big East, Colonial Athletic Association, Metro Atlantic Athletic, Mid-Eastern Athletic, and Northeast.

The eighth New Jersey-based institution in Division I, NJIT has competed against all seven of its home state peers, including Rutgers and Seton Hall.

In addition, Highlander teams have taken on squads from power conferences such as the ACC, Big Ten, Big 12, and Pac-12.

NJIT joined its first Division I conference in 2009-10 when the Great West became an all-sports conference and women's tennis captured back-to-back league titles in 2011 and 2012. In 2012-13, the final year of the GWC, NJIT men's basketball was regular season champion and NJIT women's basketball was GWC Tournament champion.

Moving on from the Great West, NJIT women's tennis joined the America East Conference in 2013-14 and finished as conference runner-up in 2014, the Highlanders' first try at the AEC title. NJIT men's soccer began play as a member of the Sun Belt Conference in 2014. Also in 2013-14, NJIT men's swimming became one of three new members in the Coastal Collegiate Swimming Association (CCSA).

In June 2015, NJIT and the Atlantic Sun Conference announced that the Highlanders would become the newest full member of the A-Sun. Founded in 1978 as the Trans America Athletic Conference, the conference took on its present name following the 2001 season.

The Atlantic Sun Conference will be the home of 13 of NJIT's varsity teams in 2015-16, with men's soccer moving over from the Sun Belt in 2016-17, bringing the total of A-Sun teams from NJIT to 14.

*Chris Wise*

**COMING IN FALL 2017—**

## **THE NJIT WELLNESS AND EVENTS CENTER**

**NJIT hosted a groundbreaking ceremony on Thursday, November 12 for the Wellness and Events Center (WEC), a sleek new building that has the promise to become the social centerpiece of a revamped campus.**

The Wellness and Events Center, already nicknamed WEC, is a \$102 million building that will be constructed on the site of the current Lubetkin Field at Mal Simon Stadium athletic field. WEC will extend across the length of the field, which will later be rebuilt on the north side of the building. The construction of WEC, to begin after the groundbreaking, will be finished in the fall of 2017.

The WEC will accommodate the rapid growth of the school's athletic department, student body, and campus community. In addition to a number of conference, academic, and community facilities, the building will house a first-class basketball arena, natatorium, locker rooms, indoor track, concessions, suites, offices, and a fitness center.

The 3,500 seat basketball arena will compare favorably with many Division I mid-major facilities throughout the country, allowing NJIT to continue to grow their men's and women's basketball programs.

WEC will have many amenities, just some of which include:

- A 25-meter swimming pool with diving area
- A fitness center with cardio equipment and weights
- Lounges, study areas and multipurpose rooms
- An indoor 10,000 square feet turf space
- Two practice courts for intramural and intercollegiate sports
- A running track that will encircle the concourse of the first-floor arena
- The arena will seat 3,500 people, but the bleachers are designed to retract, allowing the floor space in the arena to triple in size.
- The expanded floor space will host campus events and professional conferences
- An inside path on the first floor will allow students to walk from the subway and other areas on Lock Street to the main campus quad
- A 30-foot-wide promenade between Tiernan Hall

- The outside steps and the open space on WEC's northside are designed for students to sit comfortably
- WEC will be three stories high and its north side will be all windows, through which natural light will flood into the building. The tall windows will overlook the new athletic field.

**The New Jersey Institute of Technology teams play home games and practice in a combination of facilities on campus and off.**

The on-campus facilities include Lubetkin Field at Mal Simon Stadium for outdoor sports and the Estelle and Zoom Fleisher Athletic Center for indoor sports. In addition, NJIT in 2011 opened is the Naimoli Family Athletic and Recreational Facility, a multi-purpose indoor facility on the site of the former outdoor tennis courts.

Off-campus venues include Bears and Eagles Riverfront Stadium, a professional minor league stadium that is the home of NJIT baseball; the Prudential Center, home of the NHL Devils and NBA Nets, which has hosted selected NJIT basketball games; and, Branch Brook Park in Newark and Van Cortlandt Park in the Bronx, home sites for NJIT cross country. All except for Van Cortlandt Park are less than two miles from the NJIT campus.

**LUBETKIN FIELD AT MAL SIMON STADIUM**

The men's and women's soccer teams play their home games and practice on campus at Lubetkin Field at Malc Simon Stadium, a first-class venue for college soccer.

The field on the west end of NJIT's University Heights campus is an all-weather facility, with 24/7 availability for competition or practice. Outfitted with SprinTurf artificial grass in the summer of 2004, Lubetkin Field at Mal Simon Stadium also includes lighting for night contests, bleacher seating for more than 1,200 spectators, a press box and scoreboard.

The fully-enclosed facility, with its entrance a few feet opposite the entrance of the indoor Estelle and Zoom Fleisher Athletic Center, can take its place alongside any college soccer facility in the Northeast.

The home of Highlanders soccer served as the host site for the first-ever Great West

Conference women's soccer championship tournament in November 2009. Previously, NJIT hosted the three-day 2005 ECAC Division II women's soccer championship tournament.

In the fall of 2005, when the Northeast was hit with record rainfall, games went on without a hitch at Lubetkin Field, thanks to the quality of the surface. Indeed, with the rain disrupting schedules around the region, some crucial Big East contests involving Seton Hall were moved to NJIT's home field. Those games, too, went off without a hitch.

*The Estelle and Zoom Fleisher Athletic Center*

## **ESTELLE AND ZOOM FLEISHER ATHLETIC CENTER**

The NJIT men's and women's basketball teams and men's and women's volleyball teams play their home games in the Fleisher Athletic Center gymnasium, while the swimming and diving team competes and practices in building's pool. The Fleisher Center also houses intercollegiate fencing, as well as all athletic department offices, varsity and general weight and fitness rooms, and the athletic training room.

In the summer of 2006, the gym underwent renovation to include installation of a new floor and baskets, new lighting, new sound system and new scoreboards, along with entirely new seating for approximately 1,500 spectators after the first phase of renovation. The back bay 'C gym' can be sectioned off from the

main competition floor, making the facility useful for intramurals, physical education classes and campus recreation time, while being able to host multiple simultaneous events.

A six-lane swimming pool in Fleisher Athletic Center is home to the NJIT swimming team. Fencing has its own area on the second floor of the building.

In addition to all athletic department offices, the Fleisher Athletic Center also houses the sports medicine staff in the Athletic Training Room and the varsity weight room, supervised by the head strength and condition coach. The building's third floor is home to a fitness center, which is open for use by all students and staff.

# Athletics Facilities

## THE NAIMOLI FAMILY ATHLETIC & RECREATION FACILITY

Opened in 2011, the facility is approximately 25,600 square feet. The Naimoli Family Center will be a multi-purpose space for athletics, community recreation, and gatherings involving large numbers of people.

Built on top of the old outdoor tennis courts adjoining the Fleisher Athletic Center, construction of this new building has been made possible, in part, by a generous gift from Vincent Naimoli '62, Chairman and CEO of Anchor Industries International and Chairman Emeritus/ Founder of the Tampa Bay Rays major league baseball team.

The facility houses courts for tennis and is available for other athletic and recreational activities, including practice for basketball and volleyball. It is heated and air conditioned, with flooring appropriate for the intended athletics and recreational activities.

Its indoor tennis courts offer vital year round practice and playing opportunities for NJIT's intercollegiate tennis teams, which have been consistently successful in the transition to Division I. In 2011, the women's tennis team became NJIT's first conference championship team in the Division I era.

## BRANCH BROOK PARK AND VAN CORTLANDT PARK

A hallmark of the NJIT cross country program under veteran coach Al Alonso is its ability to host cross country competition that have made Highlander-sponsored races a popular destination for schools from throughout the New York/New Jersey area.

In 2009, NJIT hosted the Great West Conference championships at Van Cortlandt Park in the Bronx, and the course, which is home to some of the most prestigious events in the sport, is also the home venue for other annual NJIT-hosted races. Branch Brook Park, which is a public park of Essex County, reaches into several towns, including Newark, with the park entrance less than a mile from the NJIT campus.

## TRACK FACILITIES

The NJIT men's and women's indoor track & field team trains at the Jersey City Armory which is home to a 6-lane indoor 200m track while the outdoor track & field team trains at the Nat Turner Park 6-lane outdoor 400m track.

*NJIT Athletics Weight Room at Estelle and Zoom Fleisher Athletic Center*

## **RED BULL ARENA**

Located in Harrison, NJ, just across the Passaic River from Newark and less than three miles from the NJIT campus, the new home of the New York Red Bulls (opened in March 2010) sets the standard for soccer venues across North America.

The state-of-the-art soccer-specific facility is a major component of a multi-billion dollar development.

Red Bull Arena has a number of key design elements which give its seating bowl a close-to-the-action feeling and the unique stadium roof design extends from its leading edge over the entire seating bowl and then curve down to the concourse.

The overall seating capacity for soccer is 25,000, including 30 luxury suites (20 lower level and 10 upper level) and 1,116 club seats. Other amenities include three stadium clubs and two retail outlets.

## **BEARS AND EAGLES RIVERFRONT STADIUM**

Bears and Eagles Riverfront Stadium, the \$30 million state-of-the-art home of professional baseball and, since 2004, the home of NJIT Highlanders baseball, officially opened to the public on July 16, 1999. With a seating capacity of 6,200, "The Den" affords fans an up-close view of the action. The ballpark also has 20 luxury suites, a picnic area, a party deck, a concert stage situated behind the outfield wall and a major league-caliber press box.

In December 2005, NJIT and the Bears held a joint press conference to herald a new partnership that includes a 10-year deal that extends Bears and Eagles Riverfront Stadium as the home of NJIT Highlanders baseball.

## Head Coach Danny Goncalves

Danny Goncalves, who has a varied background as a coach and player, is the choice to lead the NJIT men's volleyball program in 2014-15.

Goncalves has more than 11 years volleyball coaching experience at both the collegiate and high school levels, as well as extensive experience in club

volleyball as an organizer, player, and coach.

In his first season at the helm of the Highlanders, NJIT finished 11-13, surpassing their wins output from a year ago, when the team finished 10-17. Men's volleyball marked one of the best performances against the formidable and perennial EIVA champion Penn State on March 28, taking the (then) No. 8 team in the nation to five sets.

He was an all-conference player at Shelton (CT) High School before playing collegiate volleyball at the University of New Haven in the early 2000s. After college, he played professionally in Portugal with Castelo da Maia, a first-division team. A versatile player, he saw action as a libero (defensive specialist) and as an outside hitter and opposite hitter (key attacking positions).

He began coaching at his high school alma mater, Shelton High, where he helped guide the boys teams to two Connecticut state championships, two undefeated seasons, and three conference titles.

Moving on to his college alma mater, New Haven, he was

assistant coach, then head coach of the men's team and assistant coach of the women's team from 2008 through 2010. In his time coaching at UNH, the women's team won two titles in the Northeast 10 Conference. The Charger women made the NCAA Division II postseason tournament in all of his three seasons as an assistant coach and made a run to 2008 NCAA Division II Elite Eight, where they fell to eventual national champion Concordia-St. Paul.

Next, he headed to another Connecticut institution, Division I Sacred Heart University, where he was an assistant coach with both the men's and women's team, with the women capturing a Northeast Conference championship.

Most recently, he has been Volleyball Director at Chelsea Piers Connecticut in Stamford. The volleyball center in Stamford features instruction, private lessons, youth and adult leagues, tournaments and summer camps. Chelsea Piers Connecticut is a sports and entertainment complex developed and managed by the same management team as the acclaimed Chelsea Piers in New York City.

As a college player at New Haven, Goncalves finished his career ranked eighth on the Chargers' career charts, with 680.5 individual points. He is eighth at UNH in career kills (504) and seventh in career assists (146). He is the school's Top 10 in service aces (66), digs (421; fourth), and total blocks (177; 44 solo, 133 assisted).

Aside from his professional career in Portugal, he has remained active in the region with some of the top adult men's volleyball clubs in the New Jersey, New York, and Connecticut region.

## Brennon Dyer Assistant Coach

A five-year member (one redshirt year) of the men's volleyball team at national power University of Hawai'i, Brennon Dyer joined the NJIT coaching staff as an assistant to new head coach Danny Goncalves in Fall 2014.

Born and raised in California (Santa Barbara), Dyer was most recently coaching at Santa Barbara City College, a two-year program where the head coach was former NJIT opponent and Harvard star Matt

Jones.

Between college and embarking on his career as a coach, Dyer played professionally in the top league in Austria in 2011 and 2012.

Dyer's tree of coaching mentors includes some of the top names in the sport, starting with volleyball Hall of Famer Carl McGown, a two-time National Coach of the Year for Brigham Young University. McGown, father of current BYU coach Chris McGown, has coached for the United States in seven different Olympic Games. The elder McGown created the "Gold Medal Squared" coaching technique and Dyer has applied it in his own coaching career.

## Chris Kaepernick Graduate Assistant Coach

A 2015 NJIT graduate, Chris Kaepernick joined the men's volleyball coaching staff in September 2015.

A four-year member of the NJIT men's volleyball program, he combined for 611 kills (2.04kps) and 389 digs (1.30dps) and 97 total blocks.

Kaepernick, named to the 2014 Eastern Intercollegiate Volleyball Association (EIVA) All-Academic team, earned a Bachelor of Business degree and is pursuing his master's degree in

Finance.

At Hawai'i, Dyer was coached by Mike Wilton, Warrior head coach from 1993 to 2009; Dan Fisher, current women's head coach at Pitt and former associate men's coach at Hawai'i; and, Robyn Santos, a former All-American setter with the Hawaii women's volleyball team who went on to play for the United States in the 2008 Olympics and was "best setter" in the 2001 FIVB World Grand Prix.

A 2011 graduate of the University of Hawai'i at Manoa, Dyer has coached the sport in his native California, in Hawai'i and in Austria.

Although Dyer will be coaching on the East Coast for the first time, he is not altogether unfamiliar with NJIT. Like Highlanders head coach Danny Goncalves, who competed against NJIT while in college at the University of New Haven, Dyer, too, faced the Highlanders.

On March 20 and March 21, 2009, NJIT visited Hawai'i for two matches, both of which were 3-0 wins for the home team. On the first night, Dyer came off the bench and notched 10 kills in just two sets to finish second on his team in kills and made just two errors on 18 swings for a .444 hitting percentage. The next night, he started and again played only two of the three sets, but shared match-high honors with 10 kills. He also served one of his team's 7 aces.

## Zak Robben Graduate Assistant Coach

A 2016 NJIT graduate, Zak Robben joined the men's volleyball coaching staff in January 2016.

A four-year member of the NJIT men's volleyball program, he combined for 2,389 assists, 306 digs and 84 total blocks.

Robben, enrolled in NJIT's Albert Dorman Honors College, graduated with a Bachelor of Science degree in biology.

## NJIT's Goodridge Selected to U21 Barbados National Team

NJIT men's volleyball rising junior Jabarry Goodridge was selected to the Barbados U21 National team roster and competed at the 2015 Men's Pan American Cup at the Centre Sportif de Gatineau in Quebec, Canada.

"It was an amazing experience in Quebec at the U-21 Pan American Cup, playing against some of the best players in the world and some of NCAA's best athletes at that age level," Goodridge commented. "It's always an honor when you can represent your country and I couldn't be happier to represent Barbados at such a high level tournament."

Teams from seven countries were divided into two pools with competition from June 23 to 28. Throughout the tournament, Barbados being one of the lower ranked teams motivated Goodridge to play at his best, which resulted in his receiving the Best Scorer Award. "It truly means a lot to receive this award playing against some of the best players in the world."

Goodridge, from Bridgetown, Barbados, led the Highlanders in kills (289) and ranked third in digs (90) and total blocks (39). The 6-foot-2 outside hitter earned all-Eastern Intercollegiate Volleyball Association (EIVA) second-team

recognition, recording 16 double-digit kill matches with a season-high 25 at Harvard on April 4. He was one of 13 student-athletes named to the 2015 EIVA All-Academic team as a business major.

"The U-21 Pan Am Cup provided great exposure to a high level of volleyball and I used this exposure to help improve my game to push myself to the next level so I can become a better player and help both my country and NJIT reach higher heights".

NJIT head coach Danny Goncalves commented, "I think this was a great opportunity for Jabarry to play at the U-21 Pan American Cup and at that level. It will be great to bring that experience back to NJIT and for the upcoming season."

## NJIT's Oren Zyndorf Playing Pro Volleyball In Israel

Oren Zyndorf, who graduated from NJIT in May 2015, after playing four years for the Highlanders in men's volleyball, is continuing in the sport as a professional, where he plays in Israel's first league.

His professional team is Maccabi Hod Hasharon, which is one of 10 teams in the top tier of the Israel Premier League, which started competition in October. Zyndorf lives in Hod Hasharon, which is 20 minutes away from Tel-Aviv and 50 minutes from Jerusalem.

"The players on my team come from all over the world but are mainly Israeli's", Zyndorf commented. "I have family that lives in Israel ranging from the Dead Sea to the suburbs of Tel-Aviv. The culture is infused with Judaism, which means on Shabbat; no public buses run, meaning I am stuck wherever I am Friday night until Saturday night."

Zyndorf, who hails from Fair Lawn, NJ, graduated with a Mechanical Engineering degree. As a junior and senior at NJIT, he was named to the Eastern Intercollegiate Volleyball Association (EIVA) all-Academic team.

The Highlanders libero paced NJIT for back-to-back seasons (2014 and 2015) in total digs (207), ranked second in the EIVA in total digs and third in digs per set (2.30).

"Oren was a great libero for us last year," second-year head coach Danny Goncalves commented. "Oren is the

type of player that not only has great skill with passing, defense and setting, but also makes his teammates better around him. His positive attitude and great court presence will help him grow into a world class libero. This is such an awesome opportunity for him and we all wish him the best."

"My experience at NJIT was everything I wanted out of a school, Zyndorf added. "I knew that I needed a school with a strong engineering curriculum along with a Division 1 men's volleyball program. NJIT had both these necessities. Being able to travel across the country, playing against top competition and creating relationships with teammates and coaches were

only some of the benefits from being a Division 1 student-athlete at NJIT."

Upon graduation Zyndorf was offered a job from a strong government firm but decided to turn it down and pursue a dream of becoming a professional athlete.

"An opportunity to continue playing volleyball was something I could never give up. NJIT gave me options for my future, and that's why going to NJIT was one of the best decisions I have ever made. I will always look back fondly at my time during college. I strongly recommend NJIT as a school for volleyball and academics."

# 2015 EIVA Standings and Results

The Eastern Intercollegiate Volleyball Association (EIVA) is a college athletic conference whose member schools compete in men's volleyball.

As of 2015–16 school year, the EIVA consists of eight schools: the University of Charleston (in West Virginia; not to be confused with the College of Charleston in South Carolina), George Mason University, Harvard University, the New Jersey Institute of Technology (NJIT), Pennsylvania State University (Penn State or PSU), Princeton University, Sacred Heart University, and Saint Francis University (in Pennsylvania; not to be confused with St. Francis College in Brooklyn, which like the Pennsylvania school is an all-sports member of the Northeast Conference). The top four teams compete for the EIVA championship. The winner represents the conference in the NCAA Division I-II national championships.

The EIVA Tournament champion receives one of four automatic bids to the NCAA National Collegiate Volleyball Championship. The other three automatic bids go to the two other traditional major volleyball conferences, the MIVA (Midwestern Intercollegiate Volleyball Association) and the MPSF (Mountain Pacific Sports Federation), plus Conference Carolinas, a NCAA Division II conference that is the only all-sports conference in either Division I or II that sponsors men's volleyball.

Before the 2014 tournament, the EIVA, MIVA, and MPSF received three of the four bids to the NCAA tournament, with the remaining entry being an at-large bid that was chosen from one of the three leagues by a committee of coaches from these leagues. Since 2014, the NCAA tournament has involved six teams, specifically the four conference champions and two at-large entries.

Penn State has won every conference championship for the past 17 years, with the exception of 1998 when Princeton captured the title. The Nittany Lions are the only conference team to win the NCAA national championships, having captured the title in 1994 and 2008.

Previously, from 2005-2006 to 2010-2011, the conference was divided into two divisions. The higher division was named the Tait Division and the lower division was named the Hay Division.

The conference used a system of promotion and relegation whereby the last place team from the Tait Division went to the Hay for the following season and the highest ranked Hay Division team moved to the Tait. Prior to that, there was a second lower division (equal to Hay) named the Sweeney Division, but this was eliminated for the 2006 season. The two lower divisions were merged into one division at that time.

School	Division	Overall
Penn State	12-0	21-10

## Directions

### FOR GPS USERS

The address for Lubetkin Field at Mal Simon Stadium, the Estelle and Zoom Fleisher Athletic Center, and the Naimoli Family Athletic and Recreational Facility is 80 Lock Street, Newark, NJ, 07102.

### BY CAR

**New Jersey Turnpike: Driving North from South Jersey:** Take NJ Turnpike to Exit 13A Newark Airport. After toll stay to left and follow signs to Rt. 1 & 9 North. You will merge onto Rt. 1 & 9 North. Airport will be on right. Follow signs for downtown Newark and Rt. 21 North-(left lane exit ramp). Downtown Newark will be in front of you. NYC will be off to your right. Follow Rt. 21North (McCarter Highway). Turn left on Raymond Blvd. Follow Raymond Blvd. past Warren Street traffic light and Fleisher Athletic Center, Naimoli Center, and Lubetkin Field at Mal Simon Stadium will be to your right (one soccer goal line runs along Warren Street and the soccer sideline parallels Lock Street).

**New Jersey Turnpike: Driving South from North Jersey:** Take exit 15W to Route 280 West, then follow Route 280 West directions.

**Route 280 West:** After drawbridge, take Exit 15A (Rt. 21 South - McCarter Highway). Follow Rt. 21 South to Raymond Blvd. Turn right on Raymond Blvd. Follow Raymond Blvd. past Warren Street traffic light and Fleisher Athletic Center, Naimoli Center, and Lubetkin Field at Mal Simon Stadium will be to your right (one soccer goal line runs along Warren Street and the soccer sideline parallels Lock Street).

**Route 280 East:** Take Exit 15 (Rt. 21 South - McCarter Highway). Follow Rt. 21 South to Raymond Blvd. Turn right on Raymond Blvd. Follow Raymond Blvd. past Warren Street traffic light and Fleisher Athletic Center, Naimoli Center, and Lubetkin Field at Mal Simon Stadium will be to your right (one soccer goal line runs along Warren Street and the soccer sideline parallels Lock Street).

**Garden State Parkway (North & South bound):** Take exit 145 to Route 280 East, then follow Route 280 East directions.

**Route 1 & 9 North & South:** Take exit marked Newark, Rt. 21 North (McCarter Highway). Follow Rt. 21 North (McCarter Highway). Turn left on Raymond Blvd. Follow Raymond Blvd. past Warren Street traffic light and Fleisher Athletic Center, Naimoli Center, and Lubetkin Field at Mal Simon Stadium will be to your right (one soccer goal line runs along Warren Street and the soccer sideline parallels Lock Street).

**Route 78 East:** Take Route 78 East to Rt. 21 North. Turn left on Raymond Blvd. Follow Raymond Blvd. past Warren Street traffic light and Fleisher Athletic Center, Naimoli Center, and Lubetkin Field at Mal Simon Stadium will be to your right (one soccer goal line runs along Warren Street and the soccer sideline parallels Lock Street).

**Route 22 East:** Take Route 22 East to Route 21 North. Turn left on Raymond Blvd. Follow Raymond Blvd. past Warren Street traffic light and Fleisher Athletic Center, Naimoli Center, and Lubetkin Field at Mal Simon Stadium will be to your right (one soccer goal line runs along Warren Street and the soccer sideline parallels Lock Street).

**Route 21 North:** Follow Rt. 21 North to Raymond Blvd. Turn left onto Raymond Blvd. Follow Raymond Blvd. past Warren Street traffic light and Fleisher Athletic Center, Naimoli Center, and Lubetkin Field at Mal Simon Stadium will be to your right (one soccer goal line runs along Warren Street and the soccer sideline parallels Lock Street).

**Route 21 South:** Follow Rt. 21 South (McCarter Highway) to Raymond Blvd. Turn Right on Raymond Blvd. Follow Raymond Blvd. past Warren Street traffic light and Fleisher Athletic Center, Naimoli Center, and Lubetkin Field at Mal Simon Stadium will be to your right (one soccer goal line runs along Warren Street and the soccer sideline parallels Lock Street).

**New York Thruway:** Thruway to Exit 14A, Garden State Parkway. Follow Garden State Parkway directions above.

**George Washington Bridge:** NJ Turnpike South to Exit 15W. Follow Route 280 West directions above.

**Lincoln Tunnel:** West on Rt. 3 to Rt. 21 South. Turn right onto Raymond Blvd. Follow Raymond Blvd. past Warren Street traffic light and Fleisher Athletic Center, Naimoli Center, and Lubetkin Field at Mal Simon Stadium will be to your right (one soccer goal line runs along Warren Street and the soccer sideline parallels Lock Street).

**From Brooklyn, Queens and Long Island:** Take Verrazano-Narrows Bridge (Interstate 278) and follow 278 across Staten Island. Cross Goethels Bridge. Follow signs to New Jersey Turnpike North then follow New Jersey Turnpike directions above.

### PARKING

**Bus/Van Parking:** Visiting buses and vans may usually park on Lock Street adjacent to the athletic center. Please be careful not to block the parking space reserved for the doctor.

**Visitor Parking:** Visitor parking may be reserved in advance through your host. Otherwise, visitor parking at NJIT is available in the NJIT parking deck. Turn right onto Warren Street. Turn right onto Colden Street and proceed around the block to Summit Street. Parking Deck entrance is located to your right before the intersection with Warren Street.

**Parking for on-campus athletic contests:** NJIT is offering free off-street parking for fans attending regular season home soccer and volleyball matches and basketball games. The parking entrance, marked by a yellow sign is located on New Street.

### OTHER TRANSPORTATION SYSTEMS

**Newark Liberty International Airport:** Minutes from the NJIT campus. A minibus (Newark Airlink) or taxi service connects the airport with Penn Station in Newark. Bus, Newark Light Rail, and taxi connections are available at the station.

**Newark Penn Station:** Located in downtown Newark, connections to the NJIT campus may be made by bus, Newark Light Rail, or taxi.

**Morris & Essex Broad Street Station:** A five-block walk to the NJIT campus via MLK Boulevard to Central Avenue. Taxi service is also available.

**Newark Light Rail:** From Penn Station in Newark, take the Warren Street stop for the NJIT campus. The Warren Street stop is on the sidewalk behind the press box for Lubetkin Field at J. Malcolm Simon Stadium.
