### NJIT HONORS DISTINGUISHED ALUMNUS

NEWARK, N.J. -- Seymour "Zoom" Fleisher of Kinnelon received the Edward F. Weston Medal for Distinguished Service and Professional Achievement by an Alumnus at New Jersey Institute of Technology's commencement exercises Thursday, May 23.

Fleisher, who graduated from NJIT in 1951, is president and chief executive of Pilot Metal Fabricators, Inc., a supplier of precision sheet metal to the aviation, business machine, electronics and communications industries. He earned his nickname, "Zoom," for his exploits on the basketball court, where he was a star player.

Fleisher has served for more than 12 years on the Board of Directors of the Fabricating Manufacturers Association. He was a member of the board of Rotary International, which has honored him for his work with the handicapped, and a member of the NJIT Alumni Association's President's Club, and sits on the Estrin Scholars selection committee.

As a recent birthday gift, his wife, Estelle, endowed a classroom in NJIT's Mechanical Engineering Center in his name.
