

THE DEPARTMENT OF MATHEMATICAL SCIENCES

**MATH 138: General Calculus I**  
*Fall 2025 Course Syllabus*

**NJIT Academic Integrity Code:** Academic Integrity is the cornerstone of higher education and is central to the ideals of this course and the university. Cheating is strictly prohibited and devalues the degree that you are working on. As a member of the NJIT community, it is your responsibility to protect your educational investment by knowing and following the academic code of integrity policy that is found at: NJIT Academic Integrity Code.

Please note that it is my professional obligation and responsibility to report any academic misconduct to the Dean of Students Office. Any student found in violation of the code by cheating, plagiarizing or using any online software inappropriately will result in disciplinary action. This may include a failing grade of F, and/or suspension or dismissal from the university. If you have any questions about the code of Academic Integrity, please contact the Dean of Students Office at dos@njit.edu

**COURSE INFORMATION**

**Course Description:** Intended for students who are not in Science or in Engineering. An introduction to differential and integral calculus of a single variable.

**Number of Credits:** 3

**Prerequisites:** **MATH 107** with a grade of C or better, or **MATH 110** with a grade of C or better or NJIT placement.

**Course-Section and Instructors:**

Course-Section	Instructor	Location
Math 138-011	Professor N. Massoud	Tiernan Hall 107

**Office Hours for All Math Instructors:** [Fall 2025 Office Hours and Emails](#)

**Required Textbook:**

<b>Title</b>	<i>Calculus: Concepts and Contexts bundled w/ WebAssign</i>
<b>Author</b>	Stewart
<b>Edition</b>	5th
<b>Publisher</b>	Cengage
<b>ISBN #</b>	9780357632499 (Book Only) <b>9780357756911 (Bundle with Webassign)</b>

**University-wide Withdrawal Date:** The last day to withdraw with a W is **Monday, November 10, 2025**. It will be strictly enforced.

## POLICIES

**DMS Course Policies:** All DMS students must familiarize themselves with, and adhere to, the **Department of Mathematical Sciences Course Policies**, in addition to official **university-wide policies**. DMS takes these policies very seriously and enforces them strictly.

**Grading Policy:** The final grade in this course will be determined as follows:

Homework	15%
Quizzes	15%
Midterm Exam I	20%
Midterm Exam II	20%
Final Exam	30%

Your final letter grade will be based on the following tentative curve. **Note: This course needs to be passed with a grade of C or better in order to proceed to Math 238 or Math 246.**

A	90 - 100	C	65 - 74
B+	85 - 89	D	55 - 64
B	80 - 84	F	0 - 54
C+	75 - 79		

**Attendance Policy:** Attendance at all classes will be recorded and is **mandatory**. Please make sure you read and fully understand the **Math Department's Attendance Policy**. Students are expected to attend class. Each class is a learning experience that cannot be replicated through simply “getting the notes.” This policy will be strictly enforced.

**Religious Observance:** NJIT is committed to supporting students observing religious holidays. Students must notify their instructors in writing of any conflicts between course requirements and religious observances, ideally by the end of the second week of classes and no later than two weeks before the anticipated absence.

**Homework Policy:** Homework is an expectation of the course. The problems listed in the syllabus are to be handed in. There will be additional homework on WebAssign that is expected to be completed by the deadlines set forth in the web portal. If you have any difficulties with registering and getting an account with WebAssign please see the professor immediately.

**Quiz Policy:** There will be 8-12 quizzes given throughout the semester. They will be based on the lecture, homework and the in-class discussions.

**Exams:** There will be two exams during the semester and a cumulative final exam during the final exam week. Each exam will test the material taught since the beginning of the semester:

Midterm Exam I	Lecture 10
Midterm Exam II	Lecture 20
Final Exam	December 14 - December 20, 2025

The final exam will test your knowledge of all the course material taught in the entire course. Make sure you read and fully understand the [Math Department's Examination Policy](#). This policy will be strictly enforced.

**Makeup Exam Policy:** There will be **NO MAKE-UP QUIZZES OR EXAMS** during the semester. In the event an exam is not taken under rare circumstances where the student has a legitimate reason for missing the exam, [the student should contact the Dean of Students office and present written verifiable proof of the reason for missing the exam](#), e.g., a doctor's note, police report, court notice, etc. clearly stating the date AND time of the mitigating problem. The student must also notify the Math Department Office/Instructor that the exam will be missed.

**Cellular Phones:** All cellular phones and other electronic devices must be switched off during all class times.

## ADDITIONAL RESOURCES

**Math Tutoring Center:** Located in the Central King Building, Lower Level, Rm. G11 (See: [Fall 2025 Hours](#))

**Further Assistance:** For further questions, students should contact their instructor. All instructors have regular office hours during the week. These office hours are listed on the Math Department's webpage for [Instructor Office Hours and Emails](#).

**Accommodation of Disabilities:** The Office of Accessibility Resources and Services (OARS) offers long term and temporary accommodations for undergraduate, graduate and visiting students at NJIT.

If you need accommodation due to a disability, please contact the Office of Accessibility Resources and Services at [oars@njit.edu](mailto:oars@njit.edu), or visit Kupfrian Hall 201 to discuss your specific needs. A Letter of Accommodation Eligibility from the office authorizing student accommodations is required.

For further information regarding self identification, the submission of medical documentation and additional support services provided please visit the Office of Accessibility Resources and Services (OARS) website at: <https://www.njit.edu/accessibility/>
