Fundamentals of Corporate Finance

FIN-315 - 451/453

Fall 2023

Email: deegan@njit.edu

Class Time & Location: Asynchronous online

Prerequisites: ACCT 115 or 117, ECON 201 or 265, MATH 105 or equivalent (statistics).

Office Hours: Saturday 9:00AM, Tuesday 6:00PM, Wednesday 6:00PM

Course Overview

This course focuses on how companies invest in real assets and how they raise the money to pay for those investments. Topics covered include the firm and the financial manager, time value of money, bonds, stocks, and net present value. International finance, risk management, capital structure strategy and case studies of technology-based companies will be introduced.

Required Course Materials

Textbook, computer, calculator, and financial news awareness. Textbook: Ross, Westerfield, and Jordan, Essentials of Corporate Finance, 11th Ed., McGraw--Hill Irwin (the NJIT Bookstore should have bundled books with and without Connect). You may use previous editions of the textbook.

Learning Outcomes

Expected Learning Outcomes

In addition to content specific course objectives, the course intends to help students develop a wide range of analytical, communication, interpersonal, and technology skills, namely:

Competencies	Outcome
LC 1 Analytical and Problem-Solving Skills	LO 1.1 Students will display an ability to apply knowledge of financial concepts to solve business problems
	LO 1.2 Students will be able to use quantitative methodologies, such as Time Value of Money, Net Present Value, the Capital Asset Pricing Model, and the Modigliani and Miller Propositions, as tools to help solve business problems.
LC 2 Communication and Information Literacy Skills	LO 2.1 Students will be able to explain basic concepts of financial theory in writing.
	LO 2.2 Students will know important sources that can be used to obtain relevant data for solving financial problems and how to collect data from

	them.
LC 3 Ethical Reasoning	LO 3.1 Students will be able to recognize ethical dilemmas that may occur in a financial management context and determine correct responses to these situations.
	LO 3.2 Students will learn why interpersonal trust is more important than simply relying on written regulations and laws.
LG 4 - Global Context of Business	LO 4.1 - Students will show the ability to apply knowledge of international business practices and relationships to making corporate decisions.

Course Website

Please go to CANVAS. The Canvas site is where most course materials are posted. Make sure you have an NJIT UCID and password so that you can access Canvas. I will use Canvas to post announcements and supplemental materials throughout the semester. **So, please be sure to check the site (canvas.njit.edu) frequently. Please contact the helpdesk (973-596-2900) for problems associated with Canvas.**

Course Deliverables/ Final Grade Components

Your grade for this course will be based on the following components:

<u>Component</u>	<u>Weight</u>	<u>Total</u>
Discussions in Canvas	15	15
Weekly Chapter questions	25	25
Test 1	15	15
Test 2	15	15
Final Exam	30	30
TOTAL		= 100

Provide an explanation of each assignment/assessment.

Final Grades

Grades reflect the level of understanding of course content. Therefore, to achieve the grade of A or B in this class expect to:

- Be prepared. This means actively participating in discussions, exercises, and activities to further understanding.
- Turn in all course deliverables in a timely and professional manner.

With less preparation and participation expect a grade of C or lower.

I have had students be very casual in taking a class for the first part of a term. Then, as the class nears the end, the student realizes a bad grade may be in the future and asks for an extra-credit opportunity or extensions to due dates. This is usually done with a **sad face, a soft voice, and a remorseful heart**. Please know now that such opportunities are not fair to the other students. So, the grading system established in this syllabus is final and no other opportunities exist. This means that each student should take this class seriously from the first week.

Final course grades will be based on the following scale (there will be NO curve):

Grading Scale

A	B+	B	C+	C	D	F
90%	85%	80%	75%	70%	60%	<60%

Late Assignments

Late assignments will not be accepted for grading unless there is a severe illness or an emergency situation. In these cases, legitimate documentation of the emergency must be presented and approved by the office of the Dean of Students before extensions will be granted.

Email Etiquette

This is a business course, and the expectation is that you will conform to appropriate business letter writing practice in all your emails to me. The following are the basics.

Put the course name (e.g., course name or course number) in the subject line.

Identify the subject of the e-mail with a brief but descriptive summary of the topic: include a proper salutation and the assignment details such as the title, homework, or test.

Proofread your e-mail for proper sentence structure, capitalization, spelling and punctuation.

Conclude the e-mail message with a proper closing (e.g., Regards, Sincerely) and your full name.

(Note: Do not e-mail requests for additional grade points unless there is an error in the grading. Please note that any grade discrepancies must be addressed within 2 weeks of the assignment due date. Grades are not ‘given out’ by the professor; they are ‘earned’ by the student. So, make sure that you ‘earn’ a grade that you can live with.)

Academic Integrity

Learning is both an individual and a cooperative experience. Asking for and giving help freely in appropriate settings helps you learn. However, you should present only YOUR work as your own. University rules and standards define and prohibit “academic misconduct” by all members of the academic community including students. You are asked and expected to be familiar with these standards and abide by them.

Academic Integrity is the cornerstone of higher education and is central to the ideals of this course and the university. Cheating is strictly prohibited and devalues the degree that you are working on. As a member of the NJIT community, it is your responsibility to protect your educational investment by knowing and following the academic code of integrity policy that is found at: <http://www5.njit.edu/policies/sites/policies/files/academic-integrity-code.pdf>.

Please note that it is my professional obligation and responsibility to report any academic misconduct to the Dean of Students Office. ***Any student found in violation of the code by cheating, plagiarizing or using any online software inappropriately will result in disciplinary action. This may include a failing grade of F, and/or suspension or dismissal from the university.*** If you have any questions about the code of Academic Integrity, please contact the Dean of Students Office at dos@njit.edu.

Accommodations

Educational access is the provision of classroom accommodations, auxiliary aids, and services to ensure equal educational opportunities for all students regardless of their disability. If you need accommodation due to a disability, please contact Scott Janz (oars@njit.edu), Associate Director of the Office of Accessibility Resources & Services (OARS), Kupfrian Hall 201, to discuss your specific needs. A Letter of Accommodation Eligibility from the OARS authorizing your accommodation will be required. Accommodation needs to be requested in advance and will not be granted retroactively.

Classroom Policies

I will submit your assignments to Turnitin to check for plagiarism.

Final Comments

I reserve the right to change any aspect of this syllabus or the course schedule at any time, as the need arises. Students registered for this course assume full responsibility for reading and understanding the course policies as stated above.

The topics are tentative. Updates will be provided.

#	Week of:	Course Topics	Due
